-Based on player evaluations, Major League coaches recommended we lower the number of teams from four to three. Board voted yes to this recommendation. This discussion included a closed session and was then open discussion after completion.

-Discussion was had regarding scheduling. The board voted to have mostly at least one game during the week and Saturday games. The occasional Friday night may be added to the regular season schedule. Of course, make up dates will be assigned as needed.

Meeting adjourned 8:10 PM
