

BOYS & GIRLS CLUBS OF THE BERKSHIRES

19th Annual Gerard Miller Children First Golf Tournament
"the tournament that never was"

Dear Past Golf Tournament Supporter,

COVID-19 has taken many things from us over the past months. It has forced us to have **"the tournament that never was"**.

Although we will be unable to gather, hit the ball all over the course and enjoy our wonderful dinner, the reason we hold this tournament every year needs us more now than ever before.....**OUR KIDS.**

For many of our kids our community can be a place of hardship. Growing up in today's world is more challenging than ever for our youth. Many reside in high risk environments existing of families with economic and personal stress, instability, lack of positive adult role models, neighborhoods with concentrated low income, gang activity and violence.

Our Children are going back to school remotely to start the year. **We need your support** to be able to help those Kids who do not have the resources or support at home to be successful in these times.

Your **BOYS & GIRLS CLUB of the BERKSHIRES** reaches kids who need us most with outcome driven programs designed to increase their performance in education, health, and character development. What happens during the time between school and home has a dramatic impact on our kids' futures. We provide access to highly constructive after-school and out-of-school programs. Here at the Club we dream of a world where every child has the opportunity to succeed and experience a bright future.

Through donations like yours we are able to provide **educational, drop-in, vocational, recreational, and sports activities** in a safe environment with caring adult role models such as: Mentoring, Leadership & Life Skills, Vocational Classes, Health & Wellness Programs, Healthy Nightly Dinner, Educational Programs including STEM, Recreation & Fitness and Music & Art.

Your gift has a powerful effect on the lives of the thousands of kids who come through our doors each year. We understand that many of you and your businesses also face challenges related to the COVID-19, but others have done well during these difficult times. For those of you that can **JOIN US** in empowering our youth to achieve great futures. GREAT FUTURES start at our Boys and Girls Club. GREAT FUTURES start with **YOU!**
