

December 6, 2021

Basketball Families,

Week one of our House basketball season has been completed. Thanks to all that made it happen. There are some things we have to improve on as we enter week two.

1. Everyone must wear masks above their nose at all times.
2. Only siblings who are with their parent are allowed to attend. Attendance was borderline excessive in some of the divisions. If attendance grows we will be forced to go back to one spectator per player. This is not something we want to do and could use your help with.
3. Please enter from the Light house door and exit through the front doors.
4. Once your game is done please leave the gym as soon as you can. We have to sanitize and cannot let the next game in until everyone is out of the gym.
5. Please do not coach your child or any players from the sidelines.
6. When parking in the Boys & Girls Club parking lot (between the CYC & Church) only park in designated areas. These areas are deigned to make sure emergency vehicles can get through the lot if needed. Please do not park in the reserved spots in the front of the lot. If you are not parked in a designated area or are parked in a reserves spot, your vehicle will be towed.
7. Please do all you can to be respectful to our staff. Many of these policies are not the Club's and our staff is here for your children. They spent way too much time this week addressing adult issues instead of focusing on our youth. Please do all you can to help them and respect the difficult tasks they have during Covid.

Thank you in advance for your support and take care.

Joseph McGovern
CEO
