### **Mask Policy**

Following the most recent update from the Massachusetts Department of Public Health, the Boys & Girls Club of the Berkshires mask requirement will be lifted as of Friday, March 4 at 2:30.

Please note the DPH advisory, Recognizes "that Massachusetts is a national leader in vaccine acceptance, and in light of recent positive progress on COVID-19 indicators, the Department of Public Health now advises that a fully vaccinated person should wear a mask or face covering when indoors (and not in your own home) if you have a weakened immune system, or if you are at increased risk for severe disease because of your age or an underlying medical condition, or if someone in your household has a weakened immune system, is at increased risk for severe disease or is unvaccinated. For individuals who are not fully vaccinated, it is important that you continue to wear a face covering or mask to help prevent you from spreading COVID-19 to other people."
