

Dear Local Partner,

I hope this letter finds you well. I am writing to you on behalf of Licking Heights Youth Association, a vibrant and thriving organization dedicated to providing opportunities for young athletes our community. We are seeking sponsorship to support our league, which currently serves a remarkable 550 kids.

At Licking Heights Youth Association, we firmly believe in the power of sports to shape the lives of young individuals. Our league offers a safe and inclusive environment for children aged 5 to 17 to participate in various sports activities, including Baseball and Softball. Through our programs, we aim to foster teamwork, discipline, and personal growth, while promoting a healthy and active lifestyle.

However, running a youth sports league of this magnitude requires significant financial resources. We rely on the generosity of sponsors like yourself to help us provide the necessary equipment, uniforms, and facilities for our young athletes. Your sponsorship would directly contribute to the success and development of our league, ensuring that every child has the opportunity to participate and thrive.

In return for your support, we offer various sponsorship packages tailored to meet your specific needs and preferences. These packages include prominent recognition of your company's logo on our league's website, social media platforms, and uniforms. Additionally, we would be delighted to display your banners during our league events, reaching a wide audience of parents, coaches, and community members.

By sponsoring Licking Heights Youth Association, you will not only be investing in the future of our young athletes but also demonstrating your commitment to the well-being and development of our community's youth. Your contribution will make a lasting impact on the lives of these children, empowering them to achieve their full potential both on and off the field.

We kindly request you to consider becoming a sponsor for Licking Heights Youth Association. Your support will enable us to continue providing a positive and enriching experience for our young athletes. We would be more than happy to discuss the available sponsorship opportunities in more detail and answer any questions you may have.

Thank you for your time and consideration. We look forward to the possibility of partnering with you to make a difference in the lives of 550 kids in our community.

Sincerely,

Matthew A. Rausenberg
