8. **Plan to exit the SCORE contract early - Part 1 of SCORE Contract Exit Plan - Review Chuck's proposal to exit the contract**

Email from Chuck:

I would like to propose the following with regards to our SCORE contract and the issues we, as a club, have faced. If you (and Jeff Salles) agree, then can you bring this up at tonight's meeting.

We should take steps to end our agreement with SCORE effective **December 1, 2025**, by requesting formal release from the contract.

Action: Ask Rey and Daniel to draft a letter to SCORE outlining our position and requesting release. The letter should:

- List the issues we have encountered, including:
 - Delayed delivery of recreation uniforms
 - Perceived security breach resulting in hacked credit cards of our parents and board members
 - Very delayed delivery of travel uniforms
 - Lack of any statement or acknowledgment from SCORE Corporate regarding the August issues
 - Delayed delivery of other items (e.g., soccer balls)
 - Loss of trust in SCORE's ability to deliver reliably in the future
- Acknowledge that we appreciate the **300 green placeholder jerseys** they provided at no cost. While they arrived late on the first day of our tournament, they did help partially. However, this also created a significant amount of unplanned work for our volunteers in distribution.
- Point out that our club **did not request any SCORE polos for coaches or board members** (~36 shirts) that were included in the original contract and were to be provided at no cost.
- Indicate that we are willing to **purchase any remaining custom travel jersey kits** that SCORE has in stock under the existing agreement. This will allow us to support any new players who join

existing teams in the spring. (New spring teams can be outfitted in the existing green placeholder jerseys.)

- a. **October:** Jim motioned to approve Chuck's proposal to Prematurely end the SCORE Contract. Dennis seconded the Motion. Votes: 16 YES. Passed. Mike and Chuck will work with counsel to put this in motion. Tabled.
- b. **November:** Uniforms are finally coming in.
- c. **January: Conversation with SCORE sales rep on Monday 1/19 – rep acknowledged SCORE fell victim to cybercrime. Throughout Dec-Jan, there were multiple discussions about travel uniform quandary. It was decided that we will remain with SCORE through the Spring 2026 season because of the 9 month lead time required if we switched to Go Soccer.**

9. **Part 2 of SCORE Contract Exit Plan- Short-Term Recreation Plan**

Once released, we can immediately move forward in selecting a new vendor for our **Spring Recreation Program uniforms**. There are multiple viable options available.

- a. **October:** We will wait for Chuck to provide more information regarding viable options
- b. **November:** Want to change for Rec but not travel. Will change them in 2 years. Switch Ilia and Chuck out uniforms and us Go Soccer for the spring. We are currently paying \$28 per kit now. Mike to take over. Discuss more in January. Will talk to go soccer about socks and shorts.
- c. **January: See Mike's Update in Appendix I. Tabled until sample uniform is received**

10. **Part 3 of SCORE Contract Exit Plan - Long-Term Travel Plan: NEW UNIFORM VENDOR**

We should make a board-level decision regarding the future of our **custom travel kit design**:

- Either retain our custom design and partner with a different vendor that offers sublimation, or
- Retire the custom design in **June 2026** and transition back to a traditional jersey kit.

This should be a board decision either way.

- a. **October:** Tabled. How will this be perceived by parents?
- b. **November:** Tabled – June 2027 (change over)
- c. **January: Tabled**

11. **The proposal to renew PSC's contract with Red Bulls: Chuck summarized that if we renewed for a 5-year term, PSC would retain all services previously provided- setup, player evaluation, mid-season and end-of-season updates. George motioned, Jim seconded. 15 Voted Yes. Approved. Closed.**

IV. **New Business:**

1. **Old Soccer Goals – Randolphville Elementary School: Email received from Claudia Emmanuel-Freno, school psychologist at Randolphville Elementary School via referral from Karyn Erdman. Requesting use of PSC's old soccer goals, and in turn use their space to house said goals and for practices. Mike's observation: *We don't have extra goals to leave there at Randolphville, it would require the BOE to move them there and back from/to Green Acres for the tournament. Though it would be a great place to practice.***
 - a. **January: Discussion ensued regarding use of Randolphville and Schor for coach-led practices to avoid using Witherspoon and Green Acres in the spring. The discussion pivoted to whether old goals would be moved or should we buy new goals at \$400 per set. Tom**

suggested buying 4 new goals to be sourced from the Equipment Fund. The proposal was put to vote –

Tom motioned, Zarah seconded, 14 members approved, 1 abstained. The motion to purchase new goals and allocate them to Randolphville and Schor was passed. Closed.

2. Rec VPs will order colored cones for rec team setup instead of using color coded barrels. 7 cones with PSC logo will be ordered at \$22 each = \$154. Approved. Closed.
3. Wristbands for rec program need to be ordered. Mike will handle the order
4. Meagan Martineau will be added to the next PSC Newsletter as the winner of the Mid-Atlantic Soccer Shoot
5. Mike is asking for a volunteer to research sponsorship solicitations for PSC website
6. There are existing delinquent credit cards- only a handful, not too much
7. Reported window break at Arbor school during winter practice. Dennis provided update. Replacement cost = \$475. School district handled replacement. Brian sent reimbursement check to Piscataway Board of Education 1/15/2026.
8. Picture Day has been scheduled for 4/25/2026. Mike will specify a 9 am – 1pm time frame. This is also the 1st day for Little Kickers and Futures. Might be a problem for uniforms
9. Referee class – must discuss location considerations
10. YMCA held an Introduction to Soccer session – 1 free class to introduce kids to soccer. Will be a 4 week session. 5-6 kids signed up. 1st Class to begin 1/23/2026
11. Playmetrics has acquired SportsConnect platform and will discontinue PSC’s registration platform. Chuck advised we should wait for NJYS’ decision. Per Jim, we have time until the fall of 2027 to further research a replacement platform. No other free platforms exist. Yasmeeen expressed concern about registration history. Zarah has already downloaded all registration information. We will ensure that all registration data is downloaded before transition to new platform occurs.
12. Red Bulls Annual Conference on 3/1/2026: Interested attendees must register
13. Jersey Knights membership is flagging and officials are seeking to partner their travel program with our rec program? Chuck invited them to join PSC
14. Alex Abreu attended the meeting to promote a PHS to PSC girls’ soccer connection. He is pursuing a more positive girls’ involvement in PSC and will promote and require representation in PSC events. His vision aligns with Chuck’s vision, where the high school integration with PSC should be a part of the PSC Five Year Plan to maintain consistent community-building touch points to bridge PHS soccer with PSC. Alex proposes to commit two players per week to volunteer with PSC and keep the girls engaged with the soccer program. Dan will structure it and Alex will email potential game plan/ideas. Dan suggested that Alex and PHS host an introductory clinic in August for PSC girls entering HS.

15. Registration for Spring 2026 rec soccer starts Friday, 1/23/2026

16. Girls Festival of Soccer – Date MUST be determined by the February meeting

17. Findley Pennicle, coach of U9 Liverpool also attended the board meeting to request whether coaches can have more input in tryout evaluations.

APPENDIX I

Uniform Report - MWM 1/22/26

Rec Uniform Update

1. I have been in discussions with Go Soccer, their proposed Kit is \$38/Kit, far more than the approximate \$24 kit we were paying with Score.
2. Yasmeen reviewed the samples provided by Go Soccer, and was not impressed, she would prefer to stay with Score for now.
3. Last week Chuck, Ilia, Tad and Mike met via Zoom: Since Go Soccer stated it was already too late to order uniforms for the Spring(9 month lead time required), **it was decided to stay with Score for the Spring Season.** Score has advised they have a large stock of uniforms we used last Fall that we can have for this Spring. **They advised a 3 week lead time.**
4. Mike stated he would use a 6 week lead time to provide some cushion. Based on that, uniforms need to be ordered by March 3rd to provide a 3 week cushion.
5. **Go Soccer stated there is a 9 month lead time on Rec Uniforms, he is willing to purchase the stock, but needs a guarantee from us we will go with a kit this Fall. No decision has been made for the Fall. A decision needs to be made this week if we are going to go with their kit for the Fall.**

Travel Uniform Update

I had a phone conversation with Anthony from Score. He advised they have admitted to a hacking and sent out letters to parents via US Snail Mail. He wasn't sure what was included in the letter or if they offered a free year of credit monitoring. Mike checked with the Travel Board Members and Lou confirmed they received a letter, Mike asked if he could scan and send a copy to him.

Anthony also advised the Upper Level Executives Sean and Justin that Mike and Chuck were speaking with were let go due to their poor performance with the hacking issue.

We are currently having parents of players added to existing teams and Spring Teams to order uniforms from Score until we make a final decision on Score. I do not want to make our parents buy new uniform kits this Summer, the current kit should stay with the club for 2-3 years.

Uniform Options for the Next 18 months

Over the month of December and January I have corresponded with many uniform vendors and have come up with the following options, all are based on matching or staying with our current Kit for the next 18 months.

1. Score - Stay with Score
 - a. \$100 per kit
 - b. 4-6 week, during peak season, otherwise 3 weeks.
 - c. Have they solved their ordering issues

- d. Anthony blamed the issues on the hack and integration with a new ordering system. He stated it has been resolved.
 - e. Recent orders have been received in approximately 3-4 weeks.
2. Go Soccer, they state they can match our kit.
 - a. \$105 per kit
 - b. 4-5 week lead time
 3. Challenger
 - a. \$120 per kit, they state they can match our kit.
 - b. 4-5 week lead time
 4. Squad Locker
 - a. \$135 per kit, they state they can match our kit.
 - b. 2-4 week lead time
 5. Podium
 - a. \$158 per kit, they state they can match our kit.
 - b. 4-5 week lead time
 6. Cisco, not consider due to only club orders, parents can not order direct, no online store.
 7. Capelli Sports, not considered due to 10 week lead time.
