Managers are causing more work than necessary. Need to figure ways to help them listen at the Managers meeting, so they will understand what is going on.

All orders are in except Concessions/Field/Umpires waiting for those numbers and sponsor. Will not have Mess hats. No visors for girls on the developmental divisions. Ok for updates/changes until 4/20.

**Scheduling Committee:** Dana LeVasseur

Waiting for rough draft of schedules from Khoury League. Will send out Contacts for developmental managers soon. Will also get the game schedules to Paul to add to the website. Once rough drafts arrive, will work feverishly to get them ready to move forward.

Tickets will be handled the same. Board members will get 50% off purchase. Will change up dynamics of concession stand to include Pizza machines. Pepsi cooler will be returned to Pepsi. Will keep the Pretzel warmer. Submit numbers to Leslie for shirts. Don't switch off breaker #28. That is the freezer.

**Rosters and ID's:** Kelly Rogers

Sorting through ID's, still need them from several managers. They are not responding to calls or emails. Discussion on what we should do regarding ID's John will call Jeff Thurston and voice our concerns over using ID's for younger divisions and teams that won't go to playoffs.

**Umpire Committee:** Chad Wagner

Training days have begun. Have 2 scheduled at this time. Please copy the board in on emails sent to the umpires. Could use a few more umpires on the list. Send numbers for uniform shirts to Leslie.

**Building and Grounds Committee:** John McNamara

There are some opportunities with CARD to improve, DPKL using those fields. Paul working with them the best he can to coordinate everything. Looking for Fence company to bid on putting up backstop and fixing current fences. Need to run electricity to shed. Almost all fields are podded. Just a few changes and fixes, and the fields will be ready.

**Web Page Committee (PR):** Paul Falbe

All posted.

**Equipment Committee:** Terry Crook

Issues with some managers and equipment. May need some more helmets. Switching out gear as needed. Have a few managers that still need equipment. Machine Pitch balls, only ordered 5 dozen, when needed 10. So some managers will have to wait on their balls.
