V. **Old Business**

A. Re-Cap 2015 Registration: Currently have 762 kids registered. This includes all late registrations and pre registrations that have not paid. The numbers are very rough. We have had 58 late registrations, and we have 9 pre-registered that have not paid. Computer did go down, and we did the best we could to keep lines moving. Also spent a large amount of time checking for data that may be lossed. We hope we found everyone and got them in the system, but will have to be ready for some down the road just in case we didn't get someone.
