VOL 1

Celebrating 20 years

Cheatham County Soccer Association is celebrating 20 years!! CCSA started in the Fall of 1999 and we've grown every season. Even though we are celebrating this fantastic milestone, we are looking towards the future. We want to keep the organization available to all children.. We may not be a wealthy area, but we are dedicated to the children.

CCSA is a league of volunteers. Our board members, coaches, parents and children all donate their time in some fashion to make this a better association for all. We are tremendously grateful for all the volunteers that came before us and the ones who currently keep us moving forward.

We have an exciting season planned for everyone! Be sure to check out the concession stand and facebook for updates!

NIGHT GAMES

CCSA has been participating in Music on Main for the last couple of years. We are wanting to do it again this year, but here is the kicker.....Since it doesn't fall on an off weekend we are going to have night games that weekend!!! We will be renting lights and enjoying evening in the dark.

Make Your Own Ball Day

This year we are wanting to help out others more than ourselves. We will be having a Make Your Own Ball Day September 8th. Everyone is encouraged to make their own ball and bring a new or used ball for us to donate. We will play pickup games and enjoy the afternoon!

SPONSORS

We are still accepting sponsors for flag sponsors or anniversary sponsors. If you are interested in sponsoring the league please see Katie Vaughn.
