

# Cheatham County Soccer Association

## THE CENTER CIRCLE

VOL 2

### SOCCER TIME

It been a year of no soccer and we are ready to get back in the swing of playing soccer again!!

We have alot of things scheduled for this season! The city is planning on doing a couple Movie in the Park nights and we will be set up at those.

We will be doing a remembrance ceremony of 9/11. We have invited our emgerncy first reponders as well as vetrans to join us.

We will be doing Night Games again this season and plan to do it every Fall! If you have connections to rental companies please get with us!

Lets get ready for a great Fall!!

### NIGHT GAMES

- CCSA has been partipating in Music on Main for the last couple of years. We
- are wanting to do it again this year, but
- here is the kicker.....Since it doesn't
- fall on an off weekend we are going to
- have night games that weekend!!!
- We will be renting lights and enjoying
- evening in the dark.

### PICTURE DAY

- Pictures will be done a little differently
- this season, You will fill out a paper
- with the team and player names. Then
- once all the pictures are done they will
- post them online and then you can
- order online.

- Please consider ordering pictures as
- this is a big fundraiser for our league.

### SPONSORS

- We are still accepting sponsors for flag
- sponsors or anniversary sponsors. If
- you are interested in sponsoring the
- league please see Katie Vaughn.
