

TEAM TREATS: IT'S AS EASY AS 1, 2, 3.

Tri-Cities Concessions is always happy to serve the parents, family and friends of every player. But we also want to serve the players themselves! With Team Ordering, we can quickly and easily prepare snacks for an entire team. It's easy too! Just follow the instructions below.

1

Fill out the form.

It's that easy! Ask each parent of your team for what their child wants. Be sure to collect \$3 because it is due when you turn in the form to Concessions. We also can't take special requests for what's not on the form. Once you're done, turn it into us.

2

Let us know when you're almost done.

At the top of the final inning, let us know that you're almost ready for the treats. We'll do our final preparations, making sure everything is hot and ready to go!

3

It's go-time!

When the game is finally over and you've got some hungry kids waiting for their treats, come back to concessions and we'll have the treats waiting for you. Really, that's all it takes.
