

**JUNIOR DEPUTY LITTLE LEAGUE
FALL 2025 SEASON
SEASON INFORMATION & LOCAL LEAGUE OPTIONS**

1. Junior Deputy Little League's fall 2025 season will have two divisions of play – Major 10 & 11 (AA); and Major 11-12 (AAA).
2. JDLL's eight organizations will field a total of 13 teams. Six organizations will have one team in AA (the Giants and Astros will combo). There will be 7 teams at AAA with the Nationals and Cardinals playing in combination.
3. For Fall 2025, the JDLL Commissioners will not review and approve each organization's rostering. Instead, it will be the responsibility of each organization's general manager(s) to make sure that all rostered players in their organization participate on a team for which they are age qualified. A list of all registered JDLL Fall 2025 Season players (as of September 3, 2024) and their Little League ages is included as Attachment 1.

AA

No Little League age 12 or 13 players.

No multiple participation 11U players may play.

AAA

No Little League age 9 players.

An organization's general manager(s) seeking to play a player in a division for which the player is not age qualified, must make a written request to JDLL Commissioner Sara Beth Hughes for approval before **August 25, 2025**. Any mid-season roster change requests must be made and approved before **October 1, 2025**.

Any Little League age 12 player that is approved for AA will not be allowed to play in

AAA.

A USSSA 11U or 12U player may be allowed to play in AA with Commissioner approval. However, any USSSA 11U or 12U player receiving Commissioner approval to play in AA will lose their ability to "swing up" to AAA.

Players rostered in AAA team may not “swing down” to AA.

Any organization using a “swing down” player will forfeit the game in which the “swing down” player participates. The Commissioner reserves the right to approve a one-game “swing down” in order to avoid a forfeit when requested by an organization PRIOR to the start of a game. No “swing down” player is eligible to pitch in the game he/she is approved to swing down for.

Players are allowed to “swing up” to any team for which they are age qualified.

4. Players are eligible to pitch on the team for which they are rostered and for any team to which they “swing up,” so long as the player is within pitch count limits. Please keep in mind the spirit and intent of fall ball is to develop pitching depth in all divisions of play.
5. In games played under Minor and Major rules, a regulation game consists of six innings. *See* Little League Baseball Rule 4.10(a).
6. JDLL adopts the Local League Option of 1 hour 45-minute games. Any inning which has started prior to the time limit expiring will be completed. However, no new inning will begin with less than 5 minutes remaining on the game clock. *See* Little League Baseball Rule 4.10(c)(2).
7. 5 runs per inning maximum. The team in the field has the option to “roll” the half inning and give the team at bat their 5 run per inning maximum. For example, the team at bat has scored four runs, has the bases loaded, and no outs have been recorded. The team in the field needs to make a pitching change. The team in the field has the option to bring in and warm up a new pitcher to complete the half inning or can choose to “roll” the half inning and give the team at bat its fifth run. The option to “roll” the half inning is available to speed the pace of play.
8. *See* Little League Rule 4.10(e) for run-rule situations.
9. A fall season game can end in a tie.
10. All players present for a game will be in the batting line-up. No team may have more than fourteen players in a line-up.
11. A game may not start or continue with less than eight players on each team. *See* Local League Options of Little League Baseball Rules 4.16(b) and 4.17. If at any point during a game, a team has fewer than eight players, the game will be declared a forfeit.

12. Teams will use a round robin batting order. Once a game has started the batting order may not change for that game. If at any point during the game a team has eight players in the batting order, then an out will be called for the vacant spot in the lineup.
13. All players shall play at least half of the game defensively.
14. Free substitutions are allowed.
15. Managers are limited to one mound visit per pitcher per inning.
16. For the fall 2025 season, pitchers will be allowed to record six outs per game. However, no pitcher in a AA game will be allowed to start a new batter unless their pitch count is 45 or less; and no pitcher in a AAA game will be allowed to start a new batter unless their pitch count is 55 or less. Pitch count rules will be strictly enforced. Managers and coaches are strongly encouraged to make pitching changes between innings to speed up the pace of play.
17. The home team is responsible for keeping score in real time on GameChanger. The visiting team has scoreboard duty.
18. Each team is to provide two Little League (LLB) baseballs for game play. They should be in good condition but do not have to be new.
19. For any situations or rules not covered in the JDLL Fall 2025 Season Information & Local League Options, please refer to the JDLL Spring 2025 Season Information & Local League Options.
20. For any situations or rules not covered in the JDLL Fall 2025 Season Information & Local League Options or the JDLL Spring 2025 Season Information & Local League Options, please refer to the Official Little League Baseball Rulebook.
21. There will be no agreed deviation from the JDLL Fall 2025 Season Information & Local League Options or the JDLL Spring 2025 Season Information & Local League Options. (e.g., no agreement between the coaches to not follow the Official Little League Baseball Rulebook or JDLL local rules).
