WHAT TO EXPECT

BEFORE PICTURE DAY

Customers can text NLYS25 to 90738 and receive gallery communications and updates via text message.

IMPORTANT DAY-OF INSTRUCTIONS FOR PARENTS

- As soon as you arrive, your player can go directly to any available Photo Spot (A, B, or C) for their individual photos. No need to wait.
- Each photographer will complete all three professional individual poses for your player in one spot.
- Once the entire team and coach are finished with individual photos, the team can head directly to the Team Photo spot to complete their group picture.
- Please arrive 10-15 minutes before your scheduled wave to ensure your team stays on time.

AFTER PICTURE DAY

Customers will receive notification via text message that their child's photos are ready.

Let facefind do the work! After your child's photos are ready, you can login and use our facial recognition technology to locate your child's individual and team photos. This includes group photos and sibling photos.

Orders are completed online and prints are mailed directly to you.
