WHAT IS “STREET SOCCER”?

⚽ Did you know All Out SC is part of the Columbus Crew SC Youth Network? We joined in 2022 as one of the first small-town clubs invited, giving our coaches direct access to Crew Coaches Development

ACADEMY TRAINING INSIGHTS:

One thing we value most? Letting kids PLAY. Street soccer-style games kick off every practice and open field, giving players the freedom to create, make decisions, and grow their soccer IQ—without the high pressure and over-coaching.

PROGRAM VALUES

HIGH-LEVEL TRAINING...

Our directors are coaches with college/high school/competitive club playing & coaching experience who have trained kids of all ages/skill levels.

HIGH-LEVEL GROWTH...

Sports should not only grow players in their love & knowledge of the game but also have an impact on the kind of people they become! Our players are taught that God has created them with a purpose... and soccer is a venue for them to glorify Him.

HIGH-LEVEL EXPERIENCE...

Growing in the sport is of great importance. But it is equally important for this program to be an experience that players and their families can cherish for years to come.

WHAT IS “ACADEMY LEAGUE”

At the U12 level, Academy League represents the oldest group in our skill development pipeline (the next step after “Academy” is our MSSA and HSSA Prep Programs).

Our U12 Academy Team is part of the HOYSA (Heart of Ohio Youth Soccer Association) and competes against other area communities, including Centerburg, Cardington, and Marion.

The HOYSA is a “traveling league,” meaning that each weekend, the entire league will be held at a new location. In one of the four member communities.

The HOYSA season will culminate in a Championship Tournament.
