WHAT IS "STREET SOCCER"?

⚽ Did you know All Out SC is part of the Columbus Crew SC Youth Network? We joined in 2022 as one of the first small-town clubs invited, giving our coaches direct access to Crew

ACADEMY TRAINING INSIGHTS:

One thing we value most? Letting kids PLAY. Street soccer-style games kick off every practice and open field, giving players the freedom to create, make decisions, and grow their soccer IQ—without the over-coaching.

PROGRAM VALUES

HIGH-LEVEL TRAINING...

Our directors are coaches with college/high school/competitive club playing & coaching experience who have trained kids of all ages/skill levels.

HIGH-LEVEL GROWTH...

Sports should not only grow players in their love & knowledge of the game but also have an impact on the kind of people they become! Our players are taught that God has created them with a purpose... and soccer is a venue for them to glorify Him.

HIGH-LEVEL EXPERIENCE...

Growing in the sport is of great importance. But it is equally important for this program to be an experience that players and their families can cherish for years to come.

WHAT IS "ACADEMY LEAGUE"

Introduced in Fall 2024, the new All Out SC "Academy League" took the place of our participation in the HOYSA (Heart of Ohio Youth Soccer Association). Why did we decide to make this change...

1. We wanted to compete here locally in Mount Vernon making games accessible to our families and reducing travel.
2. We wanted our teams to face the best competition! And our U8 and U10 teams were consistently near the top of their league standings in the HOYSA. There's plenty of great competition right here in Mount Vernon!
3. This allowed our club the ability to promote the growth of our players by using game days as continued opportunities for development.
