[https://youtu.be/bIYtfH\\_gWik](https://youtu.be/bIYtfH_gWik)

### Set Up:

Just need a ball and plenty of space (possibly coned area)

### Drill:

This is a pass then move drill. In practice we've worked on one-touch and two-touch passes. With their practice partner, players will pass and move trying to keep the ball moving with either a one- or two-touch pass. See how many they can complete in a row.
