## WHAT IS "STREET SOCCER"?

Did you know that All Out SC is a member of the Columbus Crew SC Youth Network? We are one of the first small town clubs to be invited to be a part of this network that allows our directors and coaches to engage with Crew Academy staff on best practices in training in youth soccer.

One of the biggest issues in American soccer is that players don't just play. The mind of a young athlete is an amazing thing and just simply playing (not overcoached or being directed) allows players to make decisions, problem-solve and build soccer IQ. We begin every club practice and open field with some variation of Street Soccer.
