

WHO WE ARE:

HIGH-LEVEL TRAINING...

Our directors are coaches with college/high school/competitive club playing & coaching experience who have trained kids of all ages/skill levels.

HIGH-LEVEL GROWTH...

Sports should not only grow players in their love & knowledge of the game but also have an impact on the kind of people they become! Our players are taught that God has created them with a purpose... and soccer is a venue for them to glorify Him.

HIGH-LEVEL EXPERIENCE...

Growing in the sport is of great importance. But it is equally important for this program to be an experience that players and their families can cherish for years to come.

...FOR EVERYONE!

Whether this is your first time touching a soccer ball or you are looking for an advanced competitive experience, All Out SC has a place for you!

WHAT IS "ACADEMY LEAGUE"

Introduced in Fall 2024, the new All Out SC "Academy League" took the place of our participation in the HOYSA (Heart of Ohio Youth Soccer Association). Why did we decide to make this change?...

1. We wanted to compete here locally in Mount Vernon making games accessible to our families and reducing travel.
2. We wanted our teams to face the best competition! And our U8 and U10 teams were consistently near the top of their league standings in the HOYSA. There's plenty of great competition right here in Mount Vernon!
3. This allowed our club the ability to promote the growth of our players by using game days as continued opportunities for development.

We had a fun fall and can't wait for an equally enjoyable Spring Academy Season!
