

Mount Laurel Baseball Community,

My name is Mike Wasienko and this is my third year as the Head Baseball Coach at Lenape High School. I wanted to send a letter to introduce myself, talk about our Lenape Baseball summer camps, and thank you for your support with our camps. We are looking forward to another great summer of camp.

In addition to coaching, I have also been teaching at Lenape for seven years as a Health and Physical Education teacher. I am very excited to start another high school season and also excited to continue to build a relationship with Mount Laurel and Harrington Middle School Baseball. Laurel Acres is a top-notch facility and Mount Laurel Baseball has developed nearly all of our guys who come through the Lenape Baseball program.

One of the ways we get to meet and coach the future of Lenape Baseball is through our Lenape Baseball camps. We will be returning to Laurel Acres for TWO weeks of camp this summer! **Our first week of camp is 6/26 - 6/28 (Rain date is 6/29) and our second week of camp is 7/5 - 7/7 (Rain date is 7/10).** Our first week is an all skills week and games. The second week is our hitters week which includes baserunning, hitting drills, hitting competitions, and games to end the day. Those camp times are 9-12 for ages 7 to incoming high school freshman. I would also like to invite you to come see a Lenape High School Baseball game this spring. We play right behind the school in the middle of our athletic fields and our games usually start at 3:45pm. Last year we finished 18-6, won our division, and made it to the Diamond Classic Final. Our schedule can be found on olympicconference.org.

If you have any questions, my email is mwasienko@lrhsd.org. Please see the camp information form below. If you would like to follow the Lenape High School Baseball program on Twitter, our account is [@CoachWaz_](https://twitter.com/CoachWaz) and our website can be found at [Lenape Baseball - TEAM News \(google.com\)](http://LenapeBaseball-TEAMNews.google.com). We look forward to seeing you at a future Lenape Baseball game and at our camps this summer!

Thank you,
Mike Wasienko
