**COVID-19 DISCLOSURE, REQUIREMENTS AND HOLD HARMLESS AGREEMENT FOR
PARENTS/GUARDIANS FOR FOX-ROK A.A. YOUTH SPORTS PROGRAMS**

The virus that causes the 2019 Coronavirus disease (COVID-19) is easily transmitted in group settings. COVID-19 can be transmitted from infected individuals even if they are asymptomatic. It can also be spread by touching an object that has it and then touching ones nose, eyes or mouth.

Registering your child/children in any sports program is voluntary and comes with certain risks as outlined above in regards to COVID-19 transmission. By nature, these programs will bring your child in close contact with other players, coaches and officials.

You are aware of these COVID-19 concerns and have hereby agreed to accept the liability for potential transmission of COVID-19 as a result of your child's/children's participation in our sports program and you furthermore agree to hold harmless Fox-Rok Athletic Association (including the officers, directors and coaches) for any such transmission of COVID-19.

You also agree to the following:

1. You agree to educate your child/children about the dangers of COVID-19 and the importance of keeping as much distancing as possible, proper hand sanitation, not sharing equipment, etc.
2. You agree to supply your child with adequate hydration during practices/games that is in a container clearly labeled as their own.
3. You agree to keep your child/children at home should they experience: Fever, Cough, Sore Throat, Chills, Muscle Pain, Headache, Loss of Taste or Smell and/or a Fever of 100.4 or more.
4. You agree to notify the coach/director immediately upon finding any of these symptoms and you give the coach permission to disclose this information to all that they may have had contact with. You also agree to have your child tested for COVID-19 after experiencing any of these symptoms and you will not let them come back to the team until a doctors' note is given to the coach/director clearing their participation.
5. You agree to keep your child away from the program for 14 days if they are exposed to someone known to have COVID-19.
6. If someone in your household has any of the symptoms listed in "3" above you agree to have that person tested for COVID-19 and if that person tests positive for COVID-19 you agree to keep your child home for 14 days.
