

## *Tournament Code Of Conduct*

To ensure everyone has a wonderful time during our events, the event Board of Directors has created a Team Code of Conduct Agreement to establish guidelines for coaches, players and all team spectators in attendance. Reading, understanding and agreeing to the Conduct Agreement is a requirement for attendance for each team.

1. As head coach (team listed below) I will take full responsibility for all my players and coaches while at any of the tournaments events and while on hotel property. To the best of my ability I will be responsible for my team followers during tournament events.

2. All overnight staying teams must stay at one of our partnering hotels (we're partnered with many throughout the city of all different rates). Tell the kids to treat the hotel's and its valuables like there their own. Some of the hotels may require a small damage deposit. If there is damage in a particular room, the card that the room was reserved under may be subject to being charged for the damage. Make sure the kids are supervised at all times at the hotels is the best way to prevent damages. The hotels do understand that it is tough escorting lots of kids in and out of the hotels to the games and events, they know its not going to be a silent affair just please be aware of the noise level.

3. Everyone on my roster is within the age requirements of the division that I have entered my team. Every player has proper identification (birth certificates). I understand we will be removed from competition immediately and never allowed admittance into these events again if we are found to be using an ineligible player. No refund will be given.

4. I have advised my players, coaches and team followers to be on there best behavior and reminded the adults that this event is for the kids and for all to be great role models and examples.

***The above terms and conditions have been acknowledged and agreed upon by (head coach only):***
