

Try Out Policy for Canton Little League

All players are required to attend tryouts. The time and location of all tryout sessions will be communicated to all registered players by e-mail.

EXCEPTION: Players who have already been placed on a major league roster in the previous season do NOT need to attend tryouts.

Players will be evaluated and placed in a pool in the appropriate division based on their little league age (per the age chart provided by little league international) and their standing in the evaluation process.

A waiver may be submitted to play in another division which must be submitted to the player agent for review and approval.

Note: a waiver to play with friends or to get an extra year at a lower division are not considered valid reasons.

The Canton Little League Player Agent for the current season can be found on our website here <http://www.eteamz.com/CantonCTLL/board/>

Canton Little League will also broadcast these dates on Facebook www.facebook.com/CantonLittleLeague
