

FOR IMMEDIATE RELEASE

FFC CLASSIC PROGRAM WILL HAVE A NEW UNIFORM KIT FOR FALL 2022

FREDERICKSBURG, Va. (Wednesday, April 27, 2022)—Fredericksburg FC Classic Development Program is excited to reveal its new colors—maroon and gray—along with a first look at our new Adidas training, home and away jerseys heading into the Fall 2022 season.

The new Classic Program uniform kit will include two match-day jerseys, a maroon Estro 19 Jersey and a gray Estro 19 jersey, and a training-day sky blue Attain jersey. Along with the jerseys will be black Squadra 21 shorts, black Metro V socks and a Stadium 3 backpack. A goalie jersey option will also be available.

"I am excited about the new maroon and gray colors of the program and to be able to leverage our partnership with Adidas and SOCCER.COM to provide our program with such a classic looking uniform. Maroon can stand for confidence, gray for control and those are two traits we want our classic players to learn from the program," said Program Director Steven Kirk.

Registration for the Fall 2022 season starts on May 1. Additional information about the program can be found at [FFC Classic Development Program](#)

If you have any questions about the program, or are a coach interested in coaching in the Classic Program, please contact program director Steven Kirk at skirk@fredericksburgfc.org.
