Volume 3.0

We're working on developing the newsletter to make it more informative to what's happening in the club, from games and tournaments our club's teams are involved in, to other activities those involved in our club are participating in.

If you think of something you'd like to see in the newsletter let us know and we'll see whether it's something we'd be willing and able to add. [Click Here](#) to email your ideas.

"Name the Newsletter" Contest
