Approval of the Minutes - Kenny Ottmar moved to approve the June minutes and Sharon McMahon seconded the motion. Motion passed.

- **Mustang tournament feedback -**

A suggestion was made to put together a binder of what needs to be done for the tournament. There was a concern that not very many people volunteered for the tournament. We need to think of ways to get more people involved.

- **Spaghetti dinner feedback -**

Was a big success. We raised \$1,292 from the auction, \$564 from wine, \$249 from cupcakes, \$498 ticket money, \$500 for raffle. Craig Bell and a few of his staff members that helped out were amazing. Craig only charged PG Pony \$400. This event was a great way to make money provided that Crag is willing to provides First Awakening.

A suggestion was made that maybe we should not let all-star teams practice until everyone on their team is registered.

Another idea was to pay an admin staff to do all the busy work. \$15 an hour for a part time year round position. It would cost about \$15,000 for the year, which would be about \$40 per player in increased registration fees. It could be offset by fund raising.

- **Bronco Super Regionals -**

We will need 5 boxes of balls. Need to check to see if we contract the umpires or if Pony does. Jack will put together the bracket board. Lisa will put together the signup Genius. We will handle admissions the same way we did for Mustang Invitational. A board member will pick up donuts for the weekend. We will serve baked potatoes everyday and serve tri-tip sandwiches on the weekend. We need to order a dumpster.

- **Champions game -**

The game will take place on Saturday from 11-1 pm. All teams will participate.

- **Concessions -**

George Washington and Arnett are all cleaned up.

- **Field maintenance -**

The mound is built at Muni for the Bronco Super Regionals. Will hang all the banners by this weekend. We will use the outfield fence from Mustang to block off all access.

- **Equipment -**

Need to get balls for the up coming tournament. We have all the softball gear except for all-stars. We have all of Shetland and Pinto gear.

- **Softball update -**

All done just collecting keys and gear.

- **Baseball update -**

All is well.
