Subject: October JBO meeting

Hello everyone! We hope this finds you and your families doing well.

We have decided to postpone our JBO board meeting once again. We do not want to put anyone at risk by having an indoor gathering, and we really do not have enough information on hand to make any kind of a concrete decision on how JBO will look in the spring.

In the last email, we requested that you inquire from your associations what their outlook is on access to fields. If you were able to obtain any information, we ask that you share it with the board via email. Please also send any info or thoughts you have on how your district might handle the 2021 covid-19 baseball season.

We are hoping to meet up again in January. At that time, we are optimistic we will have more data on how the OSAA sports seasons are going (or if they even get going), what type of delayed OSAA sports schedules we will have to work around, and what each of our districts will be able to do (field access, etc).

In January, we will discuss and vote on by-laws and open positions. If any of you, or anyone you know, has interest in the positions of vice president or secretary, please let us know.

We look forward to receiving any and all of your thoughts and ideas.

Thank you,

Jay Faxon

Matt Holliday
