EIN: 35-1312640

Dear Sponsor,

Portage Jr. Miss Softball is a non-profit youth sports organization in Portage Indiana. We strive to teach the fundamentals of softball in our community, emphasizing skills, development, and teamwork, while having fun. We are an organized sports program through the quality mentorship of volunteer adult coaches and assistants. We are excited to see what our 2026 season will bring. We would like to say thank you to all our re-occurring sponsors as well to our new sponsors and patrons. Our league would not be what it is today without the support of our generous community and its businesses. If you need more information, or have any questions, please email us at portagejrmiss@gmail.com.
