

Dear Parents and Guardians,

Thank you for registering your daughter for the **2026 Grafton Girls Softball Spring Recreational Season**.

This year, there is **one additional required step** to complete the registration process.

### **Why is this needed?**

Grafton Girls Softball is affiliated with **USA Softball**, the national governing body of softball. In previous years, GGSA was able to upload a roster directly to USA Softball.

For 2026, **USA Softball of Massachusetts has moved to a new registration system** that requires **each parent or guardian to complete a one-time online registration** for their player.

### **What do you need to do?**

You will receive a **roster invitation email** from me via **USA Softball of Massachusetts**. The invitation will ask you to join **Rec League (FP-14R)**.

Please follow the instructions in that email to complete the registration.

### **Cost**

There is **no cost** to register with USA Softball.

### **Do I need to do this every year?**

No. Player information only needs to be entered **once**.

In future seasons, you will simply sign in and accept the roster invitation.

### **Didn't receive an invitation?**

Players who participated in **Fall Ball 2025** or who have registered with the **Grafton Diamonds** are already in the system for the 2026 season and **may not receive a new invitation**.

If you believe you should have received an invitation and did not, please reach out and I will be happy to help.

Thank you for your cooperation, and we look forward to a great season!

Best regards,  
Josh Suhl, Registrar
