- o) Only FBBA players of the current game are allowed to practice during halftime and before the games.

2.0 Site Director

2.1 Instructions:

- a) A Site Director will be assigned for every game.
- b) The monitor will be designated per grade. Some grades will have more than one person filling this role.
- c) Site Directors are responsible for maintaining decorum at the facility. He/she will be in charge of mediating any discussion of rules interpretation.
- d) They follow the rules in our contract with the Township and School Administration.
- e) They are in charge of ensuring the gym is returned to its original condition, and all garbage is removed after the games, with the help of the coaches from both teams.
- f) They will enforce, with the help of the coaches, the policy that **food or drink is NOT allowed in the schools (especially the gyms)**.
- g) Besides using the basketball courts, no one is allowed to use anything that does not belong to FBBA.
- h) Parents must watch the siblings of the players or be reported to the Site Director.
- i) The Site Director must report the final score to the Webmaster within 48 hours of the completion of the game.
- j) The Site Director will write the referee(s)' and student volunteer names in the scorebook.

2.2 Scorer's Table:

- a) All players, coaches and especially parents (except those working the scorer's table) must keep away from the scorer's table / team sidelines while the game is in progress.
- b) Courts are marked; therefore players and coaches should not cross the line on the court, unless there is a stoppage of play.
- c) At a stoppage of play, a coach may approach the scorer's table to check the score or the number of personal or team fouls.
- d) The scorer's table will notify the referee when a team reaches the 11th team foul in a half for Girls 5th/6th division.
- e) The scorer's table will notify the referee when a team reaches the 7th and 10th team foul in a half for co-ed grades 5th/6th on up and girls 7th on up.
- f) The scorer's table should keep track of game score, individual player scoring, personal and team fouls.
- g) The scorer's table will also be responsible for keeping track of the official game clock.
- h) The scorer's table will make sure all players play during the 4th quarter.
- i) The game book at the scorer's table is the official game book. Any discrepancy must be

discussed and agreed upon by the site director.

3.0 Coaches

3.1 Instructions:

- a) **Only 2 coaches** per team are allowed in the team bench area. This is a High School Rule that we leave up to the referees to enforce.
- b) All coaches are recommended to be Rutgers Certified and required to have gone through our Background Check and Concussion Training.
- c) Coaches are responsible for keeping track of their time-outs, their team's player rotation, and keeping track of all personal and team fouls.

3.2 Line-up:

- a) Each Team must submit their line-up to the scorer's table at least 4 minutes before the start of the game.
- b) Only players physically in the gym can be put in the official scorebook.
- c) All players **MUST BE** in a Fast Break uniform shirt or a shirt of the same team color, with a number that is not duplicated on the back, in order to be eligible to participate. In the playoffs, a Fast Break uniform shirt must be worn. Starting a game with 2 players with the same number will result in a technical foul.
- d) A team is not allowed to make line-up changes after viewing the other team's line-up.
- e) Junior Division: a team must have a minimum of 5 players to begin the game.
- f) Senior Divisions: a team must have a minimum of 4 players to begin the game.
- g) If a team loses a player during the course of the game, they will be permitted to continue the game with less than 5 players.
- h) Once the line-up is in the scorer's book, all other players arriving late to the game will be put at the bottom of the line-up and wait for their natural rotation turn to play. E.g. with 10 players in the rotation, if a player shows up in the bottom half of the 1st Quarter, they will have to wait until the bottom of the 2nd Quarter to play when their natural rotation position comes around.
- i) Players that show up after the start of the 3rd quarter are not eligible to play in that game.
- j) Players cannot sit on the spectator's side when their rotation is not in the game. Players must sit with the team; otherwise the team may be subjected to a technical foul.

3.3 Player Rotations:

- a) For each game, all players that attend will be assigned a rotation number.
- b) For the first three-quarters, all players will be rotated based on their assigned number (five minutes in / five minutes out). The fourth quarter is at the coach's discretion; **however, every player must play in the 4th quarter**. If there is 2 minutes remaining in the 4th quarter, any player(s) who have not rotated into the 4th quarter, the clock will be stopped and those players will enter the game.
- c) There will be no deviating from these proper rotations for the first three-quarters. It is the coach's responsibility to know their rotations, not the scorer's table. A delay of game can be issued if you don't have your rotations ready.
- d) If a player is injured, the next player in the rotation must replace him/her. If the injured player recovers during the period, he/she can report to the scorer's table and can re-enter the game at a stoppage upon the referee's instructions. If the injured player cannot re-enter to finish their rotation; the replacement player will finish that rotation and their own rotation. The injured player will have to wait until their next scheduled rotation.
- e) Any player arriving & reporting to the head coach after the game has begun will be assigned the last number in the rotation order and will have to wait until his/her turn.
- f) It is each team's responsibility to follow both teams' rotations to monitor for violations. If you believe a violation has been committed, please compare your scorebook to that of the one kept at the scorer's table. If that comparison shows that you are correct, immediately bring it to the attention of the Site Director or the scorer's table, so that a clarification can be made. This is done by a stoppage of the game (and game clock) and a comparison of all scorebooks. The problem must be immediately corrected and a warning given to the team in violation. If a second violation occurs during that game, a Technical Foul will be called, and foul shots will be given.
- g) If a player fouls out of the game, the next player in the rotation must enter the game. That player will also play their own next scheduled rotation.
- h) A copy of managing player rotations can be downloaded from the website. The document explains all possible rotation scenarios.

3.4 Game Scorekeeping:

- a) A parent / coach / volunteer from **each** team must be positioned at the scorer's table. They will be responsible to keep track of the score, time, and player rotations. It is the coach's responsibility to get a volunteer from their team. If a team does not provide a scorekeeper, that team will forfeit the game.
- b) Scorekeepers must be in 8th grade or above to work the clock or scorebook.

c) FBBA offers community service credits to individuals who volunteer their time as “Official Game Scorer’s”. The Administrator of that program will notify the respective Site Director when a volunteer will be there to work the table. Coaches cannot award community service to qualified students for game scoring. Community service credits can only be awarded by the community service administration.

4.0 Board of Director's

4.1 Board Action:

- a) The Board of Fast Break Basketball reserves the right to review any flagrant foul, fighting, vandalism, conduct non-compliant with the code of conduct, and any matters pertaining to any incident in a School. This includes any player, parent, sibling, relative, or friend. Possible further action will be taken by the Board of Trustees after investigation of the infraction.
- b) Fast Break **WILL** suspend players and ban families from entering a gym area, if we view these infractions are in violation of our contractual agreement and obligation with the Township of East Brunswick, or the East Brunswick School Administration.
- c) Refunds will not be given to any expelled player or family.
- d) PLEASE NOTE: FBBA only has use of the basketball courts, water fountains, and bathrooms. We are guests in all the schools we play in and must treat each building with respect or risk losing a particular school(s).

- c) The fourth quarter is at the coach's discretion – however, **every player must be played**. The clock stops during the last 2 minutes of the game at each whistle. If one team is leading the other team by 20 points or more, the clock will not stop at every whistle.
- d) In the first 3 quarters and the first 8 minutes of the 4th quarter, the clock will stop when instructed by a referee due to an unusual circumstance (i.e.: injury, water on the court, other unexpected delay).
- e) The game clock will be stopped when one team calls a legal timeout.
- f) Players that show up after the start of the 3rd quarter are not eligible to play in that game.

- a) Please instruct all your players that it is their responsibility to notify the coach's if they will not be attending a game or practice.
- b) All players must play in at least 50% of the number of games played during the regular season in order to be eligible to participate in the playoffs, unless it was due to an excused injury, or other reasons approved by the trustees.

5.3 Defense:

- a) For the first three-quarters, once possession of the ball has changed, the defense must drop back behind the half court line so that the team with the ball can cross the half court line.
- b) A team will be warned once per half for backcourt defense. Additional infractions will result in a single technical foul shot being awarded. Possession of the ball remains with the offense.
- c) Senior Division: When there are 30 seconds or less in the 2nd quarter, any player on the defensive team who intentionally commits backcourt defense will be charged a team technical foul, and the game clock will stop. Two shots will be awarded and possession

of the ball remains with the offense.

- d) During the fourth quarter, full court defense is permitted.
- e) If a team is ahead by fifteen (15) points or more, **full court press is not permitted.**

5.5 Time outs:

- a) Junior Division: Each team will be awarded **two**, 30-second time-outs per game. **Only 1 of these time-outs per team can be called prior to the 4th quarter.** If you do not use a time-out prior to the 4th quarter, your team will have two time-outs available for the 4th quarter.
- b) Senior Division: Each team will be awarded **one**, 30-second time-out in the 1st half and **two** time-outs in the 2nd half. Only one of the 2nd half time-outs can be taken before the 4th quarter. First half time-outs cannot be carried over to the 2nd half.
- c) If a team is out of time-outs and calls “time-out”, two (2) technical foul shots will be awarded, and possession of the ball.
- d) If a team calls both time-outs prior to the 4th quarter, two (2) technical foul shots will be awarded, and possession of the ball.
- e) Only the Head Coach or a player in the game can call a time-out. A time out can only be called while you have possession of the basketball or when a referee blows his whistle, thereby stopping the game.

5.6 Three point shots:

- a) There will be three-point shots in Grades 7th through 12th Co-ed Division.
- b) There will be three-point shots in the 7th/8th/ 9th Girls Division.

- a) For the Junior and Girls Divisions, players cannot enter the key / paint until the ball has hit the rim during a foul shot.
- b) For the Senior Coed Division, players in the 6 marked lane spaces can enter the paint after the shot is released. The shooter cannot cross the foul line until the ball hits the rim.

Players outside the 3point line may not cross the 3point line until the ball hits rim or backboard or until the free throw ends.

5.8 Substitutions:

- a) All 4th Quarter (and Playoffs/Overtime) substitutions must report to the scorer's table.
- b) Only the Scorer's Table will alert the referee's that a substitution is available to enter the game.
- c) Do not send a player to the scorer's table to wait for a future substitution. If they report to the table, they will be sent in at the next whistle.
- d) In the event a player fouls out of the game, the coach has 20 seconds to replace that player only, (this is not a time out) and the rest of the team MUST stay on the court. If prior to the 4th qtr, the next player listed in the rotation will take the spot, and the new player will play his regular rotation.

6.0 Conduct – Players / Coaches / Spectators

6.1 Sportsmanship:

- a) Good sportsmanship should be displayed at all times.
- b) Players, coaches, parents and other spectators are not permitted to argue or taunt a referee. If you are in disagreement with an official's call, only a coach may ask for clarification. - d) Any player who is ejected from 2 games in a season due to flagrant or technical fouls

(including playoffs) will be removed from the program, without a refund.

Fast Break Basketball - Code of Conduct for Coaches

Coaching a youth sport is a privilege that is not to be taken for granted. As a coach you have an important role in the development of your players to learn the positive values of good sportsmanship, fair play and teamwork – values they can use throughout their lives. You also have responsibility for representing FBBA with pride, honor, and dignity by always displaying respect towards our opponents, coaches, site coordinators, officials, players, and parents.

In support of these goals, all coaches involved with Fast Break Youth Basketball are required abide to a code of conduct at any FBBA league/conference functions, including home or away games, and practices or events where student athletes are present:

_____ At the beginning of the season, coaches are encouraged to establish and communicate rules of acceptable behavior to players and parents, and the consequences if not followed. Coaches have a variety of discipline measures at their disposal including restriction to the bench, dismissal from practice or games, and, with approval of the FBBA Board of Directors, dismissal from the team. At no time is physical discipline of a player acceptable.

_____ As a coach you are a mentor and should always be looking for opportunities to praise and encourage the players. At no time is abusive or profane language or actions acceptable.

_____ Coaches are expected to interact with officials and opposing coaches in a professional manner, and to address other coaches with the officials present. Protesting a game official's decision in an aggressive manner is not acceptable.

_____ Coaches must not use abusive or profane language or gestures nor induce physical violence towards any official, player, coach, site coordinator, parent, or board member at any time.

_____ Coaches are expected to promote a sports environment that is free from alcohol, tobacco, and illegal substances and refrain from their use at FBBA events. A coach determined to be under the influence of drugs or alcohol will be asked to leave the game or practice immediately. An infraction of this type will (with approval from the FBBA Board of Directors) result in a termination of coaching privileges.

I have read, understand, and will abide by the Code of Conduct for Coaches. I understand that if I break or ignore the rules as outlined above, I may be subject to disciplinary action up to and including expulsion from FBBA events and notification to the police department. The Board of Fast Break Basketball has given full discretion to all board members to enforce this policy.
