

Dear Neighbors,

Post Falls Little League is a recreational Little League program, the league has fields in four different locations within Post Falls. We offer quality baseball and softball programs for ages Pre-k to 9<sup>th</sup> grade and for over 400 boys and girls. We aim to teach all kids and volunteers that play on our fields more than just baseball and softball. We help them learn life skills through leadership, perseverance, respect, resilience, discipline, honor, service, teamwork, and sportsmanship. We are more than just another baseball and softball league, more than a park, we are a baseball and softball family.

As a member of Little League International, PFLL is a registered non-profit organization (501c3). We can only operate and continue to do what we aim to do with volunteers and sponsors like you. We strive to keep all costs as minimal as possible for families, and to give every kid a chance to be on the field.

Today, we are asking for your support as a sponsor. Becoming a sponsor will not only benefit the league, and the families within the league, but also gives your organization to be on display at the fields where families and spectators see it all season(s) long. Along with our league hosting baseball and softball games at the fields, other community events are also hosted at the fields as well throughout the year. Please know 100% of all donations made for the 2025 season benefit local youth in the community and will be used for maintenance, uniforms, registration costs for families that need assistance, insurance costs, equipment, and other necessary costs that are associated with running the program.

We offer six different levels of sponsorship, starting at \$500. Every sponsorship is tax-deductible and always includes invites to all PFLL events such as Opening Day Ceremonies, games, and special events throughout all the season(s).

Our events bring the community together and give all families a place to gather and have fun, all while benefiting our league and our amazing sponsors!

If you have any questions or concerns, please feel free to contact Catie Francis, Fundraising/Sponsorship Chair at: [catie.francis01@gmail.com](mailto:catie.francis01@gmail.com). On behalf of every PFLL family and volunteer, we thank you for your consideration and your anticipated support.

Sincerely,  
Post Falls Little League
