Paul check with Dan to see if we might be able to get some more dirt donated from Donovan's for the Batting Cage and Pitcher practice box. That would give 4 mounds to practice on. Also discusses eventually putting the fence up around the dug outs.

We voted on getting a sign put up for Donovan's-free.

We also voted on paying the Umpires \$40 per game for the softball and AAA level. Tony Curd is available but not until 5:45. Jared will send out email to local umpires.

Paul discussed a few rules for single A. Time limit to not start a new inning after 90 mins. There is a 5 run rule. No stealing home. Paul is to try and get the rules to all the coaches so that they are all on the same page.

Huntington will still not allow us to use the electric at Pettis Field. Has to go to the town for a vote.

A motion was made and accepted to replace the benches at Blandford and Chester.

**Old Business:**

Jason had explained to the coaches how Paul's store works and that we use the store to purchase our uniforms for the teams. We can get a better discount with the store vs. out sourcing the jerseys.

Jason had questions in a prior meeting the amount of a large bill for the sports store and with explanation from Paul, this was a bill that was accumulated for two years' worth of jersey attire (shirts & hats)

Donations had been coming in for the May 14 Raffle and fundraiser being held at Pettis Field. ~*Great turn out.*

Paul went to the Agawam field and spoke to them about their metal signs vs vinyl. ~*Brandon is going to see if he can get a quote for 3'x 6' metal signs*

Chrissy & Health still trying to information on the Russell field and parking. Things did not look promising.

Chrissy was going to try and get permission in writing from the principal at the Russell Elementary school to use their field for practice.

Jared submitted the safety plan

Paul discussed with the coaches the best way to take care of the fields on game day. (Raking, cleaning, marking)
