***Refreshment Stand Responsibilities:** Each home team must provide at least one (1) person to work the Refreshment Stand for the length of the ball game. When multiple games are scheduled concurrently, at least three (3) workers should be in the snack bar at all times. Since more than three (3) workers will usually be on hand, the coverage can be split into shifts so each parent can see some of their child's game. All scheduled parents should assist with post-game team hot dogs & drinks and clean up. Snack Bar responsibility moves with rescheduled games. Team Parent will coordinate: (1) parent shifts, (2) rescheduled game responsibilities, and (3) payment for hot dogs/drinks/post-game treats.

Any questions or problems regarding refreshment stand coverage should be directed to our Team Parent:
 _____ (____) ____ - ____.

**Refreshment Stand coverage should begin 20 minutes before game time and should normally end around 20-30 minutes after the game ends.

***If neither parent from a family is able to provide coverage on an assigned date, they should contact another family to request switching games.
