

Coach,

Thank you for your support in coaching with MFC this season. All coaches are required to complete a Background Check and Safe Sport Course to be able to coach with us at MFC. Safe Sport Course is new this year and will NEED to be completed by all coaches along with concussion course and background check. It will take about an hour to complete both requirements. However, you may start and return where you left off if you are not able to complete all at once. The website registers all coaches with our state association, Mississippi Soccer Association and is no cost to you. You will see the link and instructions below on how to complete all requirements.

1. All coaches have been created a new account with the new system of [GotSport](https://system.gotsport.com) under your email address as your username with password: soccer1
(Please use email address given under your MFC Account)
<https://system.gotsport.com>
2. Once you have accessed your account please confirm all information is correct and add any additional information.
3. Click on “Dashboard” at top left of screen.
4. Under Dashboard, you will see a list of requirements.

To complete requirements click “more info” on each of the following and follow prompts:

Background Check – This only takes about a min to complete.

Safe Sport – This is the longest to complete and is a new requirement from MSA for all coaches this year. You will create another account (sorry but this is mandatory). Course Certificate expires in two years.
You will need to make sure to add the access code for US Soccer to your account.

Access Code - YC3E-6P5G-YYIL-CS2M

It would be easy to copy and paste the access code once you have created your account. This course will take the longest so please make sure you have about 45 minutes to complete. You may stop at any time and come back where you left off to finish the course. Once you have completed the course you will be able to download a “Safe Sport Trained” certificate. **Please make sure to download and save your certificate.** You will then upload it in Got Sport to show completed. GotSport > Dashboard > Safe Sport more info > show safe sport upload form > upload document/certificate from there. Or click “Check Records”

Safe Sport

Status Required

Access Code: **YC3E-6P5G-YYIL-CS2M** Start Course

Already completed this course?

If you have already completed the course or recently completed a refresher, click the Check Records button to lookup a completed record matching your name and email address.

*Upload Current SafeSport Certificate

Choose File no file selected

Upload Document

To return to Dashboard page click “profile” under the  to return to requirements.

I do understand this is a lot of steps and a bit of time to complete, however, there is no cost involved to you, MFC pays all costs associated with all requirements. Just remember, this done for the safety of the kids. Thank you in advance for completing and for your commitment to our kids at MFC.
