To Whom it May Concern:

I am writing to you on behalf of The GYFCA, Grizzlies Youth Football and Cheer Association. GYFCA is a registered non-profit organization with the State of Illinois, located in Gilberts, IL we serve the communities of Gilberts, Pingree Grove, Hampshire and other surrounding communities. GYFCA is a youth program that is recognized as a competitive feeder program to our local High School, Hampshire High. We serve kids from the ages of 5 years old to 14 years old.

Every year we hold fundraising activities with the kids such as car wash, bake sale, walkathons, etc.... but this is still not enough to cover our cost for purchasing supplies, new equipment, cheer mats, practice facility times and insurance along with league and referee fees. We also offer hardship players and scholarships for the less fortunate families that still want their children to enjoy the sports they love to play, but can't afford. Sponsorships and donations are our main source of funds for these extras and many more throughout the year.

We would appreciate any donation small or large to help assist in creating a fun and safe environment for our football players and cheerleaders to learn sportsmanship and team building, which helps grow better young boys and girls. Please contact me with any questions. Thank you for your time and consideration.

Sincerely,
