- The only excused absences are religious holiday observance and real illness or injury. Cheerleaders who are ill or injured may need a note from a doctor.
- Cheerleading is a collaborative team sport and if one girl is missing then her stunt group cannot practice and the entire team suffers from her absence.
- This is non-negotiable and applies to all competition cheerleaders.

How many teams will there be?

- We plan to hold **TRYOUTS** for our Sr Rec team for CURRENT grades 5-7.

- Athletes not offered a spot on a competition team can register for a spirit team for their age level.

SENIOR REC Traditional +Game Day Competition

- Senior Rec competes 2 routines (Traditional and Game Day). **Depending on the size of the team, not all cheerleaders will be selected to participate in both routines. Determination will be made at the conclusion of tryouts.**
- The desired entry level tumbling skills includes standing and running back handsprings
- The desired entry stunting skill is a single leg stunt at a full extension level. These stunting skills will be practiced and evaluated at the try out clinics.
- Flyers will be evaluated for a body position at an extension level (for example, a heel stretch)
- No tumbling will be taught or spotted at tryouts. Cheerleaders must be able to perform tumbling skills safely and independently on a NON SPRING FLOOR.

How important is tumbling?

- Tumbling is not the most important thing but it is important for competitive cheerleading.
- Girls who tumble and attend tumbling classes generally have better core strength and flexibility than those who don't tumble and that carries over to other cheerleading skills.

- RYSI does not teach or spot tumbling. All skills must be able to be performed independently on a NON SPRING FLOOR at tryouts.
- Competition team members will be asked to join our team tumbling classes at the Evolution Gym in Bridgewater – this is **required** for Senior Rec on **Thursdays** beginning in September.
- Junior Rec will have an **optional** team tumbling class on **THURSDAY** beginning in September.
- **Team tumble contracts are payable directly to the Evolution Gym and will be sent out in June- as soon as days/times have been confirmed.**

How many are on a competition team?

- There is no set number per team.
- Team size will be based on skill level (stunting and tumbling) and the stunting positions needed.
- Teams are comprised of stunt groups (backspot, flyer, 2 bases)
- **For a Sr Rec Traditional routine the majority of athletes need to have tumbling for a routine to be competitive. This sets team size along with the number of stunt groups that can stunt at a higher level.**

Do we cheer for football games?

- Yes – football games begin the first Saturday (flag football) and Sunday (tackle football) after Labor Day.
- Both competition teams will have home and away games, this is required to be eligible to compete as a Rec program.
