THERE IS A NEW USER GUIDE PDF YOU CAN USE TO REGISTER ON MASS YOUTH SOCCER. IT DOES A DECENT JOB AT HELPING YOU NAVIGATE THROUGH. I created my own starting on the next page, feel free to use either.

One thing that is different is the CORI process. You do NOT have to download your CORI ACKNOWLEDGEMENT FORM or connect with the organization's risk manager. Once you register on Mass Youth Soccer, a CORI is automatically run. If there are any issues, Medford Youth Soccer will reach out to you. We confirm all CORI checks prior to start of season.

ADULT REGISTRATION PROCESS OLD

All participating adults (persons age 18 and older - excluding Adult Athletes) must complete an *Annual Mass Youth Soccer Adult Registration* and possess an **Adult Credential**

Prior to completing your adult registration, confirm that the organization you would like to participate with is in need of your services for this registration year.

Every adult member of all organizations affiliated with Massachusetts Youth Soccer must complete the following Registration Requirements.

Use the same legal first and last name and email address for all soccer related registrations. This will ensure auto verification of your required trainings when applicable.

1. Complete an *Annual Mass Youth Soccer Adult Registration online via Sports Connect (Association level)*.
2. Be CORI Approved.
3. National Background Check (NBGC) Approved (NBGC includes the State and National Sex Offender Registry Searches).
 1. An International Background Check may be processed on certain adult participants; if required, Mass Youth Soccer will notify the adult and the organization(s) they selected in U.S. Soccer Connect.
 - Completing the Mass Youth Soccer Adult Registration is inclusive of adding the information needed and submission of both the CORI and National background checks.
 - Adults will have one Risk Status and Risk Expire Date visible in their registration account; this is the combination of the review of all required background check reports.
4. Completed **SafeSport Abuse Prevention training annually** and be checked as verified/approved in Sports Connect. Policy information and how to complete this training are found in the "SafeSport Abuse Prevention Training Help Guide"
