Northstars Soccer Club presents its 15th year of its toddler soccer program. Lil' Shooters is a fun, non-competitive program for children ages 2 - 5 years. The program is designed to introduce players to the sport in a safe, fun-filled environment. Your child will learn fundamentals of soccer: listening, running, jumping, dribbling, turning, passing & shooting through structured activities and fun based games. Lil' Shooters provides opportunities for motor skill development, and social interaction. Lil' Shooters offers kids a great first experience in soccer. Our experienced coaches keep the program simple, encouraging, & FUN so that everyone leaves with a smile! Instead of watching them from the sidelines, you participate in the class with your child. This is an excellent opportunity for you to spend quality time together while easing your child into social situations with support and confidence.
