Beginning Fall 2025, we will be introducing a new League Structure. This new format allows more inclusivity and allows clubs that have opted to participate in ECNL, GA, and MLS Academy leagues to still participate in OYSA when they are not playing those games.

For those clubs not participating in the PCL or outside leagues, the SCL represents the highest level of state-wide competition with the most consistent and predictable playing structure in Oregon.

The SCL teams will play in September and October, and will be eligible for State Cup and Presidents Cup competitions. SCL teams are not eligible for Founders Cup.
