

Mars Baseball Play-Up Policy

As a policy, Mars Baseball does not typically allow players to play outside of their respective age level. Although some players may exhibit some natural talents toward the game and their parents think they are ready to play baseball with older players, most kids will benefit greatly by playing in their actual age group. However, we do recognize the April 30th cut-off date defined by Pony Baseball may prevent some kids from playing with their classmates. In an effort to allow players to play with their respective grade level, play-up requests will be taken for these players with a birth date of May 1st thru July 1st. Any player requesting to play up that fits this criteria should register for their correct age group and then contact Mars Baseball at marsbaseball@marsbaseball.org requesting to play up. Play-up requests outside of this will not be granted.
