

REVERE JR PATRIOTS YOUTH FOOTBALL & CHEER

2024

SPONSORSHIP FORM

Revere Youth Football & Cheer (Revere Jr. Patriots) is a non-profit organization running for it's second season, focused on teaching the fundamentals of football and cheerleading, good sportsmanship, teamwork, respect, coordination, competitiveness, and to promote physical fitness. But most importantly, safety of all involved on and off the field.

The cost to run the program successfully is an ongoing battle. Just the cost for the Football/Cheer equipment and uniforms have grown substantially since COVID. There are many costs that we will face yearly which includes licenses, permits, insurance, printing, Indoor facility, field maintenance fees, awards & storage just to name a few. We will try to keep our registration fees as low as possible to allow every child to participate (we turn no child away). Unfortunately, those registration fees won't nearly cover the costs it takes to run the program for approx. 200 athletes. This requires us to get sponsors to help us cover the costs. Revere Youth Football & Cheer is operated entirely by volunteers that work with our young athletes to ensure they understand the fundamentals of the sport while at the same time having fun and building lifelong friendships that our kids in the community can remember forever, but we cannot do it alone, We are hoping we can count on you this year for a contribution to Revere Jr. Patriots.

Your donation is completely tax deductible.
