2024 60
Aa72
24 74
A-58
Tee -53
Soft maj 30
Soft aaa 29
Soft aa26
Tami went to district 9 meeting last month

- registration came w medial waiver
- Coach needs to keep the medial waiver on field for every gam
- Minor rule changes to all stars
- A lot of uni changes
- Baseball does not need to play outside towns
- We have had no 50/70 requests
- Are we interested in hosting all stars.

- That will be submitted around beginning of may.

Calendar

- apr 26 parade on green at 9am
- Hoping to have baseball majors game that day
- Week after spring break practice can start
- May 18 yard goats
- May 11 Yale

Winter clinics

— chad Eaton ran clinics have been successful.

— baseball used sportsplex softball at the HS

— money was raised for tansy fam

There will be a summer clinic

Chris will do coaching ed night

Baseball Evals are next week

Softball evals are a set up

Adam Bernard asks questions about evaluating kids that want to play up.

Chris and Tami explain how the scoring system works. Maybe the coaches can discuss afterward. Evals are hard.

What kinda of concessions should we do?

The greenery truck came last year.

“Meghan” - rules about how can be in concession and who can work w and without adults. Maybe this year we do cold food and see how it works for next year. Getting people to volunteer is thought.

Steph said if you are using hot food you need a certification.

Jordan asked if we got any money from the greenery.

There is a concession at bittner we can use if we clean it out. That is still a year away.

Meghan thinks this year is chips, water bottles etc. Adam's can have ice cream.

Would greenery want to do prepackaged stuff?

Anything that's prepackaged can be served.

Spirit wear

Chris - sold a good amount of spirit wear. We can open it back up before the season. He likes the idea of having a few things. It was successful. But he is looking for suggestions.

- we need to fill out the LL data center. Chris did the safety plan but all is filled out and we are good to go
- Tom equipment we are good but need balls for both softball and baseball. Meghan did complain about first aid kits getting destroyed during the season.

— Kate is talking about photos. We've used the same person the last two years. She uses the indoors of the comm center. None of the sponsor plaques have not been delivered. Kate is asking if we had any feedback on them.

— at what timeframe should we do pics. Opening day could be good

—

There was discussion about having both baseball and softball on opening day.

— Kevin talks about Evals next week. Maybe use stickers for kids that play up. Greg helped out w how to schedule.

— Jordan gave a big shoutout to chads winter clinics.

- Steph is talking about unis and she may need to shuffle players between aaa and majors.
- softball evals are evals
- Chris is involved in ordering unis and coaches coaches shirts.
- Meg bin swap update. The bin is behind Paige's. Discussion about the bin. Let's set up a time that kids can come pickup. Maybe do it at Adam's on the coaching edu day.
- Chris talks about the coaches clinic.
- Adam - fields update at Adam's

He was looking to fix the mounds at Adam's. To fix the score boards at bittner. Maybe the batteries.

Jordan asked if we can have a dirt mound. There is discussion about if we can have a mound. But parks and rec would not want us to have it.

- George is dealing w all sponsors. And he'll check out the banners in the
- we have a parent that wants to buy a pitching machine for Adam's. They want to give 2000.00 but the whole cost is 2700.00.

So we will need to vote on it.

Vote on \$2700 spend. Vote is unanimous

- Mike m asks about how many team are we having in softball.

Meeting ended.
