Know your Pitch Count Rules

- **NOTE:** If a pitcher reaches **40** pitches while facing a batter,
 - the pitcher may continue to pitch, and maintain their eligibility
 - to play the position of catcher for the remainder of that day,
 - until any one of the following conditions occurs:
 - that batter reaches base;
 - (2) that batter is retired;
 - (3) the third out is made to complete the half inning or the game; or
 - (4) the pitcher is removed from the mound prior to
 - the batter completing his/her at-bat.
- The pitcher would be allowed to play the catcher
 - position provided that pitcher is moved, removed,
 - or the game is completed before delivering a pitch to another batter.
- If a player delivers **41** or more pitches, and is not covered
 - under the threshold exception,
 - the player may not play the position of catcher for the remainder
 - of that day.

a. - Any player on a regular season team may pitch.
Exception: Any player who has played the position of catcher in four (4) or more innings in a game is not eligible to pitch on that calendar day. A player who played the position of catcher for three (3) innings or less, moves to the pitcher position, and delivers 21 pitches or more in the same day, may not return to the catcher position on that calendar day.

EXCEPTION: If the pitcher reaches the 20-pitch limit while facing a batter, the pitcher may continue to pitch, and maintain their eligibility to return to the catcher position, until any one of the following conditions occur:

- (1) that batter reaches base;
- (2) that batter is retired;
- (3) the third out is made to complete the half-inning or the game; or
- (4) the pitcher is removed from the mound prior to the batter completing his/her at-bat.

A.R. – The catcher receiving one pitch to a batter in the fourth inning constitutes having caught four (4) innings.
Warm-up pitches do not count, only when the ball is live will the pitches count toward innings caught.

SPORTSMANSHIP

Little League® is available for every child between the age of 4 and 16 and extends a warm invitation to every child to go out and play, because it's through that play that people learn, grown, and connect.

What has always made the Little League program unique is the high level of sportsmanship displayed at every level of the program, both on and off the field.
