donations are tax deductible! Our EIN number is: 83-3524892

THANK YOU FOR YOUR INTEREST IN BECOMING A LAKE HOUSTON LACROSSE SPONSOR!

Lake Houston Lacrosse is a 501(c)3 non-profit organization dedicated to providing elementary and middle school aged children the opportunity to compete in recreational and competitive lacrosse. HUMBLE ISD has approved our program as an official **OCPE** (Off Campus PE Program for our middle and high schools in the district). Every player is an important and integral component of our successful program and our coaching philosophy demonstrates a willingness to help each player understand and achieve excellence.

We are committed to developing core values in our athletes on and off the field. We stress the importance of academic achievement, health & fitness, hard work, good sportsmanship, teamwork, and the determination to overcome challenges and shortcomings. Instilling these values in our youth is important to ensure the future of our lacrosse community.

Lake Houston Lacrosse relies solely on membership dues, donations, fundraising and local sponsorship throughout the community to help cover the considerable costs of running a successful program.

Please consider sponsoring Lake Houston Lacrosse to help grow and strengthen our league. Our players are dedicated to the sport, however, we need your help to improve essential needs such as equipment, field maintenance and improvement, coaches fees, referees, and recruitment of players. Not only is Lacrosse the fastest-growing sport in the United States but in Texas as well. With your help, we strive to make our organization one of the state's strongest, most competitive, and well-organized lacrosse clubs.

Please see the enclosed form detailing the different levels of sponsorship and the benefits we provide in return for your generosity.

We look forward to partnering with you to ensure the youth of today and grow the game of lacrosse in our area. Thank you for supporting us in our endeavors.

Thank you

WANT TO HELP IN OTHER WAYS?

There are many ways to donate to the program! Time, Talent, & Treasure for the benefit of someone or something other than ourselves, its amazing the benefits realized by all involved, including YOU!

TIME:

There are many opportunities to donate your time to the program. You can work the concession stand, volunteer as a team manager to assist with the team communications and logistics, offer to run the clock and the scorer's table, and so much more! Contact your team's coaching staff or Board Member to learn more about these and other opportunities!

TALENT:

Bring your professional talents, personal hobbies, and past experiences to the table as a way of participating and adding value to the program. Maybe the company you own or work for can offer services, materials, or products that would be of help to the program. Maybe you love photography and could be a volunteer photographer for the team or the program as a whole. Maybe you design websites and could assist in enhancing the programs web presence and social media sites. Start thinking about what you do everyday or enjoy doing in your spare time that may add value to the program!

TREASURE:

Youth Sports and espeically lacrosse require significant amount of capital to fund an operate. In an effort to keep registration fees reasonable, we sometimes sacrifice the true needs of the program and rely on monetary donations to fund certain aspects of our season's expenses. In order to continue to strengthen **LAKE HOUSTON LACROSSE** program and ensure the growth and development of our players, we're looking for individuals, families, and companies that can supplement our programs budget. Become a sponsor by contacting a member of our BOARD and making a cash or electronic donation to fund part of our season!
