Sponsorship Opportunities

We offer flexible options for both businesses and individuals to make an impact:

Gold Sponsor (\$10,000+)

As a premier sponsor, your business will enjoy prominent logo placement on the Texas Lions Academy website, as well as on our official sponsorship shirts worn at events and tournaments. You'll receive a custom social media spotlight video, along with branded graphics featuring your logo or business icon. We'll feature your business in our monthly email newsletters sent to families, fans, and supporters. We will create back links on our website for your business SEO. Gold sponsors are also recognized at major community and tournament events, and you'll receive a beautifully framed plaque in appreciation of your generous support.

Silver Sponsor (\$5,000+)

Silver sponsors will have their logo displayed on our official sponsorship shirts and listed on the Texas Lions Academy website. You'll be recognized through targeted social media mentions, and receive a printed certificate of support to showcase your involvement. Your business will also be included in our seasonal newsletters and acknowledged at select events throughout the year.

Bronze Sponsor (\$2,500+)

Bronze sponsorship includes your logo on our official sponsorship shirts and a thank-you shoutout across our social media channels. You'll receive a printed certificate of appreciation and be recognized in our seasonal newsletters, as well as at select community and team events.

Mini Sponsor (\$100/month or \$1,200/year)

This is a great option for individuals or small businesses who want to show support on a smaller scale. You'll be included in a group thank-you post on social media. Mini sponsors are also mentioned in our monthly email newsletters, occasionally featured in Instagram Stories, and invited to attend special Sponsor Night or Open Practice events.

All sponsors receive recognition in seasonal newsletters and at select events.
