#### 1) President Report (Brielle)

##### -City Updates

\*Walk thru over spring break and all fields were released. Some items have been done that were asked of them; added a bench, wiring was fixed, rust behind Field 6 that needs to still be fixed. They are aware of rips in Field 7 windscreen (they are working on that). Wasp nest is on the sprinkler in the women's bathroom to still be looked at.

##### -D13 Updates

\*Everything is set for them in hosting the All-Stars. Brackets are out for 9-11U. City is onboard with helping assist with hotel discounts, food and swag items.

##### -Suman Award

\*Susan is all set to fly out on May 16<sup>th</sup>, 6PM. She donates \$500 to the league in honor of the recipient.

##### -Awards Ceremony

\*All are ordered. Rings and ribbons plus pins for certain levels.

##### -End of Season Picnic

\*May 15<sup>th</sup> at 6PM. Two Games (Field 6 and 7), tables for teams again, pizza link will be sent out for pre-orders that will then be delivered to the fields. Ninja course, foam sprayer, plus lots of vendors. More details will come out as we approach.

#### 2) Action Photo Updates (Jenn)

- Mike Budak just finished the team photos from Opening Day pictures. Jenn will start sending them out to all teams this coming week.

- 33 galleries have been uploaded already.

- He sold 24 galleries last year in 2025 to see comparison for this year.

### 3) Field Maintenance Report (Travis)

- Remind coaches about locking gates when you are done with your game.
- Same goes for the pod as that has been left open.
- Chalk liners back in the pod so that they do not sit out and get damaged.

### 4) Equipment and Safety Report (Mike)

- We got more baseballs today.
- Equipment is all caught up for what was needed/damaged.
- Coaches cannot have un-registered kids practice or play with one of our teams due to insurance liabilities. If you are short a player for a game, you need to pull from the approved list for your division.

### 5) Divisions Director Report

-Tball (Kevin)

\*Everything is wonderful. Some games have changed due to fields splitting out fairly and equally.

-AA (Phil)

\*Not present

-AAA (Jason)

\*Not present

-Minors (JP)

\*Coaches have been reminded about their conduct with umpires and or other parents during games.

\*A TSSL-specific AI bot was created to help managers, coaches and families ask questions and receive answers about league rules and policies. It was trained on TSSL official rules, policy documents, safety policies, website information, and FAQs.

It is currently in testing. If popular, we can make it permanent and add it to the website as well.

-Majors (Doug)

\*Coaches have been reminded of the drop-dead time of games.

### 6) Umpire Report (Mario)

\*Everyone seems to get the sign-up genius form and are quickly all filled. First come first serve on sign-ups this year.

\*Pay might be a little challenge as some have not even picked up their first paycheck. Kevin brought up the idea of having Phx Phreeze hold the paychecks and have the umpires go to them. Brielle will ask Lucy.

\*Indicators have been purchased for all umpires to use and have.

\*Feedback has been slow from coaches so hoping that picks up.

\*Play-offs will be handled separately once we are ready for opening that up.

#### 7) Fundraising Report (Robyn)

-Dbacks – currently at 24 tickets sold (last year we sold 430 tickets)

-ASU – currently at 40 tickets sold

-New Banners – Total of 102 banners on the fields!

Income = \$36,100 (waiting on Cane's \$400)

Expenses for banners = \$3,689.94

Revenue = \$32,410.06

#### 8) Playoffs

\*Schedule has been sent out. May 11<sup>th</sup> games start.

\*Kevin will resend all brackets to coaches as a refresher.

#### 9) All-Stars

\*Brielle made a form for all to use to nominate a coach or nominate themselves.

\*One for 11U and one for 12U has been nominated.

\*10U does not have anyone as of yet.

\*Brielle will work on a fillable form for parents to use to sign their player up for the ballot. Mike Budak will add to this form verbiage on how the process is done to pick teams so that everyone is on the same page.

\*Parent meeting is on May 2<sup>nd</sup>.

#### 10) Treasurer's Report (Ed)

\*Checking \$76,660

\*MMkt \$21,046

\*CD1 \$11,273

\*We spent \$12k on Opening Day, \$1k on Showcase, \$3k roughly on picnic

#### 11) Other Business

\*AAA Game on Saturday where the coach played the outfield really shallow and the other team was not happy. Kevin will get with Marlow (AAA lead) and address it with the teams.

\*Thursday at 4:45pm Aprende plays KMS for both JV and Varsity (lots of crossover to TSL). Come watch if you are available – at Aprende.

\*Easter egg hunt was amazing and fun. Kids had a ton of fun.
