

Meeting Minutes

Date: June 18, 2025 6:30pm

* NEW INFO

New and Important fact from TSS:

- Fully online ordering
- You will receive your photos quickly after photo day sometimes while you're still on the field.
- Multiple poses
- TSS needs full roster with parents email and phone number
- If we have a field (background) in mind maybe the courts or fields our kids play on and we want that as a background option Steve just needs a few weeks notice prior to our photo day and he will go out and take those pictures.
- Families don't need to order a full package to get a product. They can just order something a la carte.
- PAA/coaches will get free team photo
- Ordering the 1st week is set as an incentive as the price goes up 10% every week
- Steve says he is already booking for next Spring so ALL Directors need to pick a photo day ASAP to lock him in and we need to request an indoor and outdoor space that way we don't need a rain date.
