Old Business

- PAA Membership Fees
  - Rhonda (Cheerleading) has updated sibling information
  - Lavar (Basketball) has not completed yet
  - Dalesha (Baseball) verified roster and membership form to determine if baseball players needed to pay the \$20 fee
- Registration
  - Need to start looking for another option, maybe sports connect
  - Sports Connect has lots of things we can do with it that we don't use. Let's look into it and see what else we can use to make it easier. Look at doing registration and payments through Sports Connect. Charge a %. May have video tutorials.
  - Who will look into this?
    - Start for Summer Cheer, that will be our Tester
    - Somebody need to be the person, will have to share name, social security number, and more personal information.
    - Did not seem easy when Charlie did it before
    - Don't think it's much to set up
    - Rhonda and Anika will work on it
- Blue Sombrero for Spirit Wear
  - Dalesha opened it up, only had one order
  - Not beneficial at all, they only send payment once a year
  - Will explore other options for Spirit wear
- Tablets
  - Should we purchase some for registration?
  - People should be able to do this on their phone
  - People may not be willing to do it if we can't hand them a tablet to do it right then
  - We would have to pay for service to have WiFi
    - We could do a pre-pay

- Afton will donate one?
- If we could buy 2 for \$300 to create convenience?
- Get one, try it for Summer Cheer Season – voted, all approved
- Zoom
  - In place, will start next month

#### Baseball Gear Swap

- Scheduled for March 11, running behind
- Maybe ask people to bring items to practice on Saturday and over the next two weeks
- Collect donated items until we have enough to swap?
- Donation made by Sam Smith already

#### Fundraisers

- Sell Cheerleading pom-poms for \$1 per set (in the shed)
- Raffle for new gear donated by vendors? – Afton working on
- 50/50 raffle is a great fundraiser (softball raised \$800-900 last season)
- Cathy has donated passes from local businesses; Cheerleading will use for their fundraiser

#### Softball

- Dana pulling her daughter out to play for Salem. We no longer have enough players for an 8U team
  - Roster due to CYSA tomorrow
  - Currently have 6 6U players and 1 8U player registered
    - Can absorb them into baseball
    - Baseball is \$44 more expensive than softball
    - Baseball has coaches, softball doesn't have coaches for this age group yet
- 12U still needs 1 more player. Someone registered yesterday but I need to see if her payment went through
- Afton has a point of contact for VCU folks that may help coach
- 10U team is good to go

#### Stripe Payments

- Nobody can confirm payments since Tiffanie quit and no longer handles
  - Tiffanie Meehling (Treasurer) quit via an email on 3/1/2023
