# UNDERSTANDING THE DASHBOARD

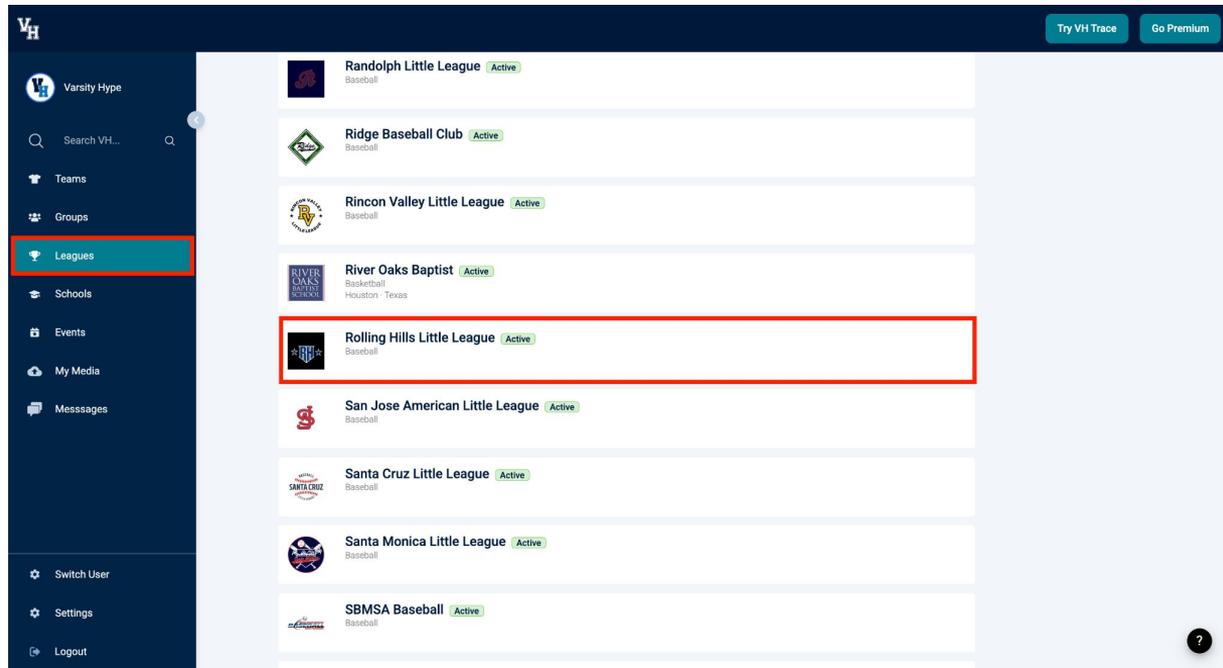

After you login in or create an account you will land on your Varsity Hype dashboard. Here is a quick run through of each section:

- **Teams:** Here is where you will find your the specific teams you are invited to
- **Groups:** Here is where you will find your non sports groups (we cover extracurricular teams as well)
- **Leagues:** Here is where you will find Western Hills LL!
- **Schools:** If you are part of a school we cover here is where you will find that content.
- **My Playbook:** We are doing away with personal playbooks by end of Q1 2025. Sorry!
- **My Media:** This is where you will be able to create your own albums (upload pictures), playlist (upload videos and clip videos from games), and highlights
- **Messages:** Through VH you have the ability to send league wide messages, team messages, and direct messages to other users

# WHERE IS MY LEAGUE CONTENT?

After creating your account or login in head to your “LEAGUES” tab in order to interact with your all divisions and teams in your league. Note: Your account will only see the league or leagues you are invited to.

The screenshot displays the Varsity Hype (VH) website interface. On the left is a dark blue sidebar with navigation options: Varsity Hype, Search VH..., Teams, Groups, Leagues (highlighted with a red box), Schools, Events, My Media, Messages, Switch User, Settings, and Logout. The main content area shows a list of active leagues, each with a logo, name, sport, and location. The 'Rolling Hills Little League' entry is highlighted with a red box. Other leagues include Randolph Little League, Ridge Baseball Club, Rincon Valley Little League, River Oaks Baptist, San Jose American Little League, Santa Cruz Little League, Santa Monica Little League, and SBMSA Baseball. The top right corner features 'Try VH Trace' and 'Go Premium' buttons, and a help icon is visible in the bottom right corner.

# LEAGUES

After clicking on your league you will be able to interact with the following:

- **TEAMS:** All divisions and teams associated with your league will appear here.
- **MEMBERS:** Invite other users to interact with your league such as Coaches, Athletes, and Fans. Note: You can only invite other roles that are equal to yours for example a fan can not invite a coach.
- **SEASONS:** Allows you to pick past seasons (if you are part of them).
- **CAMERAS:** This section is only available to admins and allows you to interact with the live streaming cameras further.

# I CLICKED ON MY TEAM, NOW WHAT?

After clicking on your team you will be able to interact with the following:

- **SCHEDULE:** Watch your team's live games, past saved game footage, and interact with key moment game tags.
- **ROSTER:** Input your team's roster here and link users to the athlete. This will give them updates on games, live streams, and schedules.
- **MEMBERS:** The members section allows you to invite other users to your team.
- **MEDIA:** Under your team media tab you will be able to create team playlist with key clips and team albums that will allow all team members to upload pictures from the season.
- **EXCHANGE:** (only available to team coaches) Under exchange you will be able to share games outside of Varsity Hype and receive scout games from other teams.
- **PLAYBOOK:** Gives coaches the ability to create playbooks and plays. Coaches and athletes can interact with their gameplan.

# SCHEDULE

Under the schedule tab you will be able to view your live games, past game footage, and interact with your team's season schedule. If you are a coach, you will be able to add games or practices by clicking the "Add Event" button on the bottom of the screen. You can also update their location and score by clicking the pencil to the right of the game.

The screenshot displays a user interface for a sports management application. On the left is a dark blue sidebar with navigation options: My Profile, Teams (highlighted), Groups, Leagues, Schools, Events, My Playbook, My Media, Highlight Creator, and Messages. At the bottom of the sidebar is a Settings icon. The main content area shows the profile for the Houston Astros, featuring the team's logo and the Bellaire Little League logo. The profile includes an "Edit Profile" button and a "Share" button. Below the profile are tabs for Schedule, Roster, Media, Exchange, and Playbook. The "Schedule" tab is active, showing a table of games with columns for date, opponent, location, results, and actions.

# ROSTER

The roster allows you to add all athletes associated with your team and assign users to each athlete.

# MEMBERS: INVITES

The members section allows to add other users and assign them roles by sending an invite link. The assignable roles are Fan, Athlete, and Coach. Your role will dictate who you can invite.

The image displays two screenshots of the Varsity Hype application interface. The left screenshot shows the 'Members' section for a team named 'Braves (Fierer)'. The 'Members' tab is active, and the 'Invite' button is highlighted with a red arrow. The members list is currently empty, with sections for Owner, General managers, Coaches, Athletes, and Fans, each indicating that the season has no members in that category.

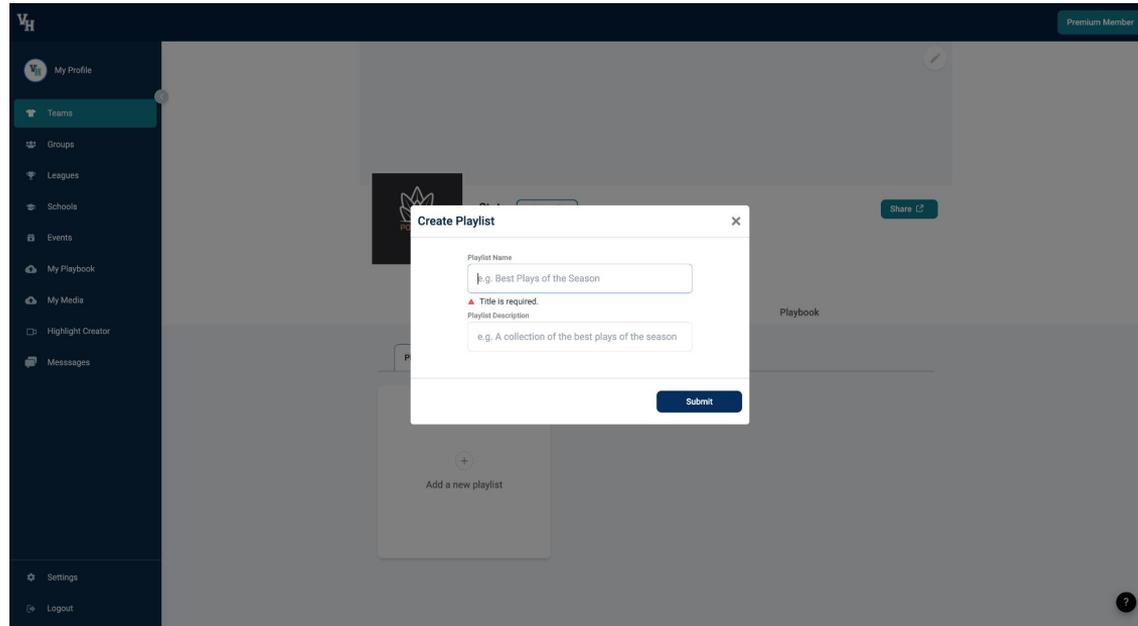

The right screenshot shows the 'Invite' modal window. The modal has two tabs: 'Email' and 'Invite Links'. The 'Invite Links' tab is selected. It contains three sections for generating invite links: Coaches, Athletes, and Fans. Each section has a text input field (all containing 'Link not generated') and a 'Generate Link' button. The 'Fans' section also includes a 'Copy Link' button and a URL: <https://app.varsityhype.com/invite?token=st-47b9Z...>. A note at the bottom of the modal states: 'Generating a new link will disable previous links.'

# MEDIA: TEAM PLAYLIST

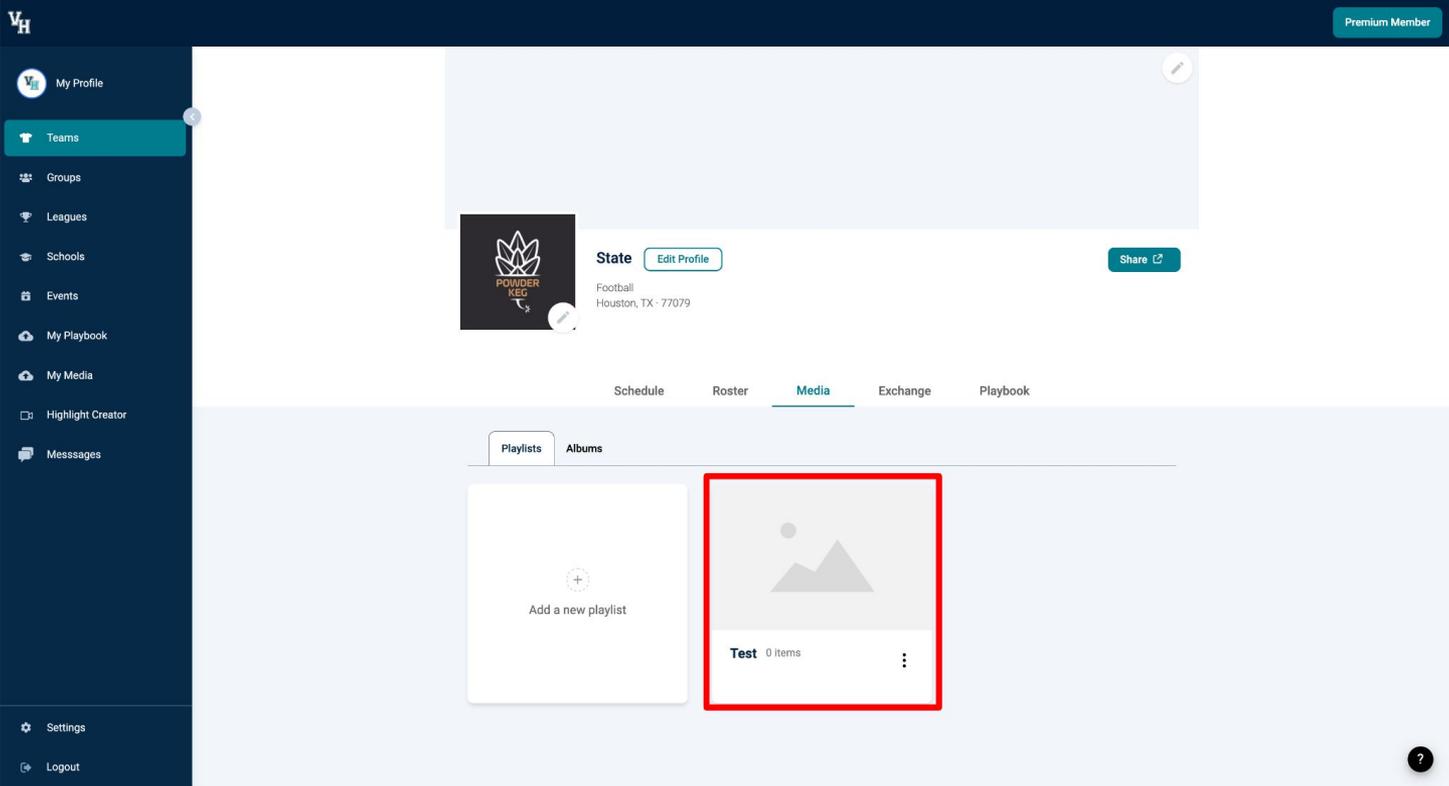

The playlists section will allow you to create playlists from your game clips and upload footage.

Step 1. Is to create a team playlist by clicking on the “Add a New Playlists” button and name your playlist.

# MEDIA: TEAM PLAYLIST

Step 2. Submit playlist and it will appear under your team playlist section.

# MEDIA: TEAM PLAYLIST

Step 3. You can add clips and content to team playlist in 2 ways: 1.) By heading to your game footage in your "Schedule" section, click the drop down on each clip then clicking add to playlist 2.) By clicking the upload button and uploading from your phone or computer.

# MEDIA: TEAM ALBUMS

The album section allow you to create photo albums for all team members to see and enjoy. Add game pictures, team pictures, or anything else relevant to your team and season!

Step 1. Click “Add New Album” and name the photo album in order to create it.

Step 2. Click on the created album to be taken to a page where you can view or add pictures.

# EXCHANGE

The “exchange” section will allow you to exchange “scout” footage with other teams or send game footage to groups outside of your league and allow you to view said exchanges. Coaches are the only ones that can exchange footage but athletes can view any of the exchanged games.

The screenshot shows the 'Exchange' section of a team's profile on the Varsity Hype platform. At the top, it displays 'Owner' and a season selector for 'Aug 2021 - Nov 2021'. Below this is a large empty area for video uploads. The team's profile card shows a logo for 'POWDER KICK', the name 'State', and location 'Football, Houston, TX · 77079'. A red arrow points from the 'New Exchange' button in the 'Exchange' tab to the 'New Exchange' section on the right.

## New Exchange

### Choose Exchange Type

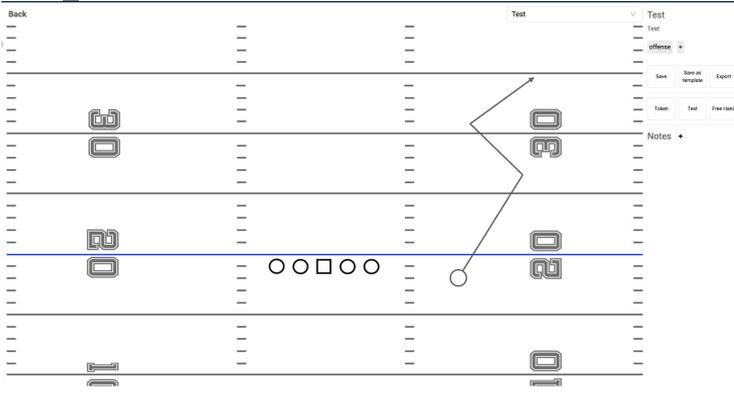

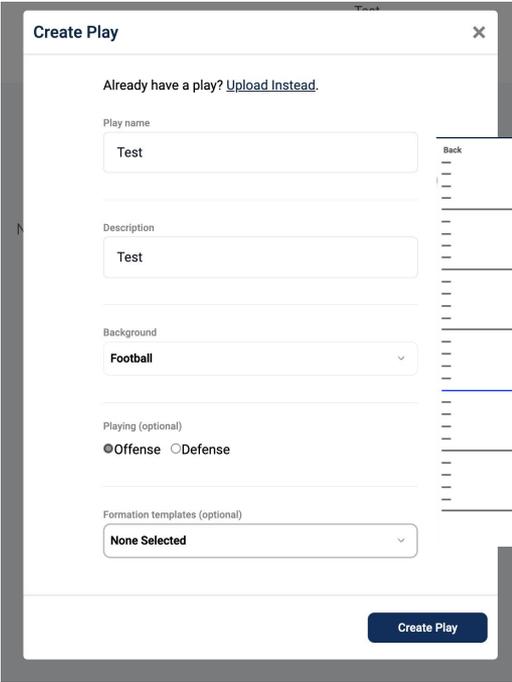

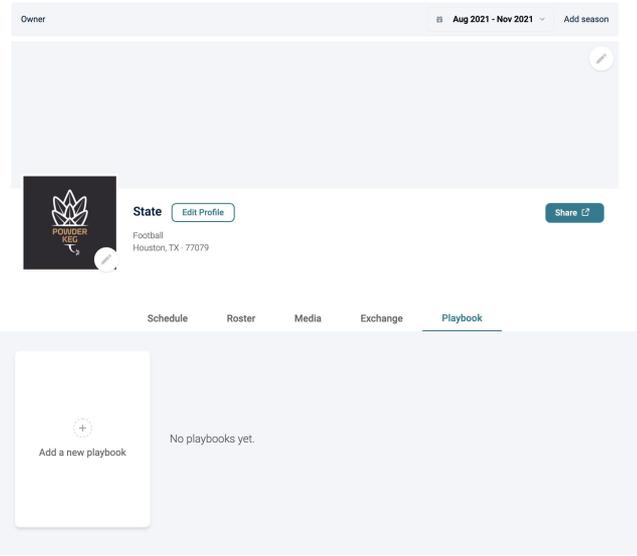

- Two-Way exchange**  
In a two-way exchange you will be trading footage with another team that is on the Varsity Hype platform. Each team will receive a limited preview of the proposed videos. Once both sides approve the video exchange, full video is traded.
- One-Way exchange**  
In a one-way exchange you will send your video to another team that is on the Varsity Hype platform without needing to receive anything back.
- Exchange link**  
With a video exchange link you will be generating a link to your chosen game video in order to send it out to anyone not on the Varsity Hype platform. Anyone you send that link to will be able to watch the video or videos.
