

2024 Swampscott Little League Classic

Dear Parents, Alumni and Friends of SLL,

Swampscott Little League is hosting the First Annual Swampscott Little League Classic at Tedesco Country Club on October 21, 2024. Tournament registration begins at 10 am with a shotgun start at 11 am. All players will have access to carts, professional scoring, on-course competitions and the practice area. Continental breakfast and a lunch buffet will be served.

To reserve your foursome, visit SwampscottLL.org and click on the SLL Classic logo.

Swampscott Little League provides year-round programs and services to more than 500 baseball and softball players, ranging in age from 4-16. Our organization—entering its 70th year—is powered completely by volunteers and a significant amount of our funding is through generous sponsors and annual fundraising efforts. Funds from this year's tournament will go towards building a new clubhouse and equipment shed at DHC Field, the addition of lights and a revamped batting cage at our Nahant field, and additional improvements to our two diamonds at Phillips Park. With this in mind, we graciously ask that you consider one of the following Swampscott Little League Classic sponsorship opportunities:
