Dear Potential Sponsor,

Windsor Little League, which serves the towns of both Windsor and Bloomfield, is thrilled to be gearing up for the 2026 baseball, softball and t-ball season! Last year marked our league's milestone 75th season, showcasing the long-standing role Windsor Little League has played in bringing youth sports to the community.

This year, we are energized to continue expanding our league participation while preparing our players to shine in Little League baseball and softball tournaments that lead up to the Little League World Series. Our goal is to create meaningful opportunities for children to develop their skills on the field—and grow as confident and disciplined individuals off the field.

Events like our annual Cleats on the Streets 5K fundraiser reflect this commitment. Held every fall, the race fosters teamwork and community engagement. Last year's event welcomed over 100 participants and volunteers and was a great success that highlighted the talent, determination, and energy of our players. We are excited to host an even bigger event this year!

Local business sponsorships are essential to making these programs possible. Your support allows us to provide equipment, facility improvements, scholarships, and unforgettable experiences for the hundreds of children who play ball with us annually. More importantly, your contribution helps instill the Little League's core values of **Character, Courage, and Loyalty** while promoting physical wellness in a safe and positive environment.

As a registered 501(c)(3) nonprofit organization, 100% of sponsorship funds go directly to supporting Windsor Little League—and your sponsorship is fully tax deductible! Enclosed, you will find a list of sponsorship packages tailored for varying levels of support. Whether you choose one of these packages or a smaller donation, every contribution helps us continue delivering high-quality programs to local families. All donors will also be recognized via our social media platforms.

You can donate by mailing a check made out to Windsor Little League or visiting our website to register or donate online at [insert website].

On behalf of Windsor Little League and the hundreds of children and families we serve, thank you for considering this opportunity to support youth sports in our community. Your generosity makes a lasting impact—and we hope to partner with you this season!

Warm Regards,

Bill Killoran
President, Windsor Little League
